D.A.R. to Open Year's Activities with Tea And Card Party Oct. 1

This year, 1940, is the fiftieth since the founding of the National Society, Daughters of the American Revolution, and the forty-seventh of our North Shore Chapter. In celebration of this event, our State organization has undertaken the reforestation of a thousand acres of abandoned Illinois farm land. We are sharing in this forward looking project. To commemorate our own anniversary, we have placed the "Williamsburg" Mantle in the drawing room of Community House, in Highland Park.

These philanthropies are in addition to the support of two mountain schools in the South, among the underprivileged, and the Ellis and Angel Islands' work, among the immigrants.

The proceeds of this card party are used to carry on this work. Therefore, our regent, Mrs. George T. Rogers, earnestly appeals to every member and friend of the North Shore Chapter of the D.A.R. to purchase a ticket for the support of these activities, feeling that this investment will make loyal citizens of our Republic and for the return of which you will receive peace and security unknown elsewhere in the world.

The committee in charge feel they have received a delightful setting for the party, which will be in the Highland Park Woman's Club on Tuesday, October 1, at 2 p.m. Many attractive door prizes will be given as well as table prizes. Tickets may be secured from Mrs. Mary Helmold, 2524 Deere Park drive, or any member.
