

H.S. Football Teams Win Opening Games; Downers Grove Next

Last Saturday, on their own field, the Highland Park high school football teams won both games of a double header when they defeated the teams representing the Riverside-Brookfield high school. The frosh-soph won the opener by the score of 20 to 6, while the varsity won their game by the score of 37 to 13.

The frosh-soph scored in the first quarter when "Ying" Jones caught a high pass in the end zone. This ended the scoring until the fourth

quarter when he picked up a blocked punt and ran 50 yards for a touchdown. Jones caught a pass for the extra point to give the locals a lead of 13 to 0. Before the whistle ended the play, Baracani made a nice run through center for the third and last touchdown of the day.

While Jones was the leading scorer, he was given fine support by his mates, all of whom looked good. On both offense and defense "Hap" Murphy, the right halfback played "heads-up" ball.

The starting line-up was as follows: Jones and Pertz, ends; Werner and Matthison, tackles; Weber and Johnson, guards; Sasso, center; Salyards, quarterback; Brown and Murphy, halfbacks; and Baracani, fullback.

In the varsity game Riverside scored in the first few minutes of play when Davey picked a nice pass out of the air. The try for the extra point was no good. The locals tied the score before the quarter ended when Barnhart circled the end for 15 yards and a touchdown. This play was set-up by Menduno who had reversed his field on the previous play and made a gain of 40 yards.

In the second quarter Flint intercepted a pass and raced 40 yards for a touchdown. The try for extra point failed and the locals lead at half time 12 to 6.

Shortly after play was resumed in the second half, Flint who played a stellar game at left halfback, threw a touchdown pass to right halfback Menduno. Again the try for extra point failed. Riverside now went to work and with the aid of some nice passes scored their second touchdown and made the try for extra point good. With the score 18 to 13 the local team was now vulnerable. Before the third quarter ended Barnhart made the most spectacular play of the game when he caught a punt and behind perfect interference ran 65 yards for the fourth touchdown his team scored.

With the game on ice, Coach Floyd used several substitutes in the last quarter. However, his two halfbacks Flint and Menduno each scored another touchdown and Detmer caught a pass for an extra point after one of the scores.

For the first game of the season the team looked good. The blocking was excellent and the tackling hard.

This Saturday the locals will again play on their home grounds when they meet the strong teams from Downers Grove. The varsity line-up on Saturday was: Detmer and McDonald, ends; Turner and Kilian, tackles; Tanielian and Aiston, guards; Grady, center; Barnhart, quarterback; Flint and Menduno, halfbacks; and Zook, fullback.

Stresses Need For Improved Highways For Military Uses

Taylor G. Soper, executive secretary of the Illinois Road Builders association, Chicago, addressed the Highland Park Rotary club Monday at its noon day meeting at Sunset Valley club. He talked on "Highways for Military Purposes."

"While the nation is rushing pell-mell to arms, an important defense factor is being overlooked—obsolete roads," declared Mr. Soper. Our defense plans call for an army that can be dispatched quickly to any threatened area, but how will this army reach its destination? More than 100,000 miles of the nation's primary roads are rated as obsolete.

"It is not only a question of getting troops into specified areas. Supplies, the lifeline of any army, must be moved with equal rapidity. Improved, modernized highways are the only solution."

Soper, in referring to the highway situation in Illinois, stated that diversions of highway user taxes takes some six million dollars away from state road construction each year.

"There is nothing we can do about this diversion for it's a law, but we can be alert to prevent any further diversions. When gasoline tax and license laws were passed the state promised motorists that all of these funds would be used for highways. Engineers know how to build fast, safe highways which will stand up under the wear and tear of modern travel and mechanized military machines. Ways will be found to finance such construction when motorists awake to the fact that good roads belong to them and not to the state and then make their demands heard in Springfield and Washington."

Soper concluded his address with a discussion of highway plans for the entire Chicago area with emphasis on Highland Park and the

North Shore and the need for super-highways into Chicago.

"Sporting Blood" At Deerpath Theatre

Robert Young, Maureen O'Sullivan, Lewis Stone, William Gargan and Lynne Carver combine their varied talents in "Sporting Blood" which will be presented at the Deerpath theatre, Friday and Saturday, Sept. 20 and 21.

"The Ramparts We Watch" to be presented at the Deerpath theatre Sunday, Monday and Tuesday, Sept. 22, 23 and 24. Among the characters who succeed in bringing to life this graphic story of America's role in the World War era are Theodore Roosevelt, Woodrow Wilson, Gen. John J. Pershing, Herbert Hoover, Kaiser Wilhelm, Newton D. Baker, and young Franklin Roosevelt.

With William (Golden Boy) Holden, Bonita Granville, Ezra (Henry Aldrich) Stone and Judith Barrett heading the Paramount's new comedy romance about college life, "Those Were the Days" will be presented at the Deerpath theatre Wednesday and Thursday, Sept. 25 and 26.

Police Executives Visit Local Chief

Chief of Police Ray Ashworth and Commissioner of Public Safety Louis Lipscombe of San Antonio, Texas, W. K. Ingram, Chief of the South Bend police, and E. P. Moomau, superintendent of Kansas State Highway Patrol, accompanied by their wives, visited Chief of Police Rex Andrews and his wife last week. They had been attending the international convention of the Chiefs of Police, which was held in Milwaukee Sept. 9 to 12. These men all worked together in Wichita, Kas., a few years ago, and a very close friendship grew out of their association.

Gloria Linari Sings On Opening Program Of H.P. Music Club

The Highland Park Music Club will hold its first meeting of the season on Wednesday afternoon, Sept. 25, at the home of Mrs. Arnold Exo, 367 Ravine drive. An especially interesting informal program has been arranged by Mrs. J. V. Spachner and her committee. Gloria Linari, 15-year-old soprano, will sing an Italian folk song, "Chitata Romana" by Lazzaro and "The Blue Danube" by Strauss; and there will be a "surprise" singer from the membership of the club. A feature program will be the playing of Mrs. Exo's melodeon by Jessie Wood Sincere, who will be the accompanist for both soloists.

Mrs. Lawrence Meyer is the president of the club. The other officers are Mrs. J. V. Spachner and Mrs. Arthur F. Marquette, vice-presidents; Mrs. Arthur Raff, corresponding secretary; and Mrs. Kenneth H. Kraft, treasurer. Mrs. Annette Jones is the honorary president of the club and the directors include Mrs. Helen Mayer Mannings, Mrs. George J. Hinn, and Mrs. Cloud Wampler.

Silhouette for 1941

Buick SPECIAL 6 passenger 4-door Sedan. \$1052 delivered at Flint, Mich. Wheel shields and white sidewall tires, extra.*

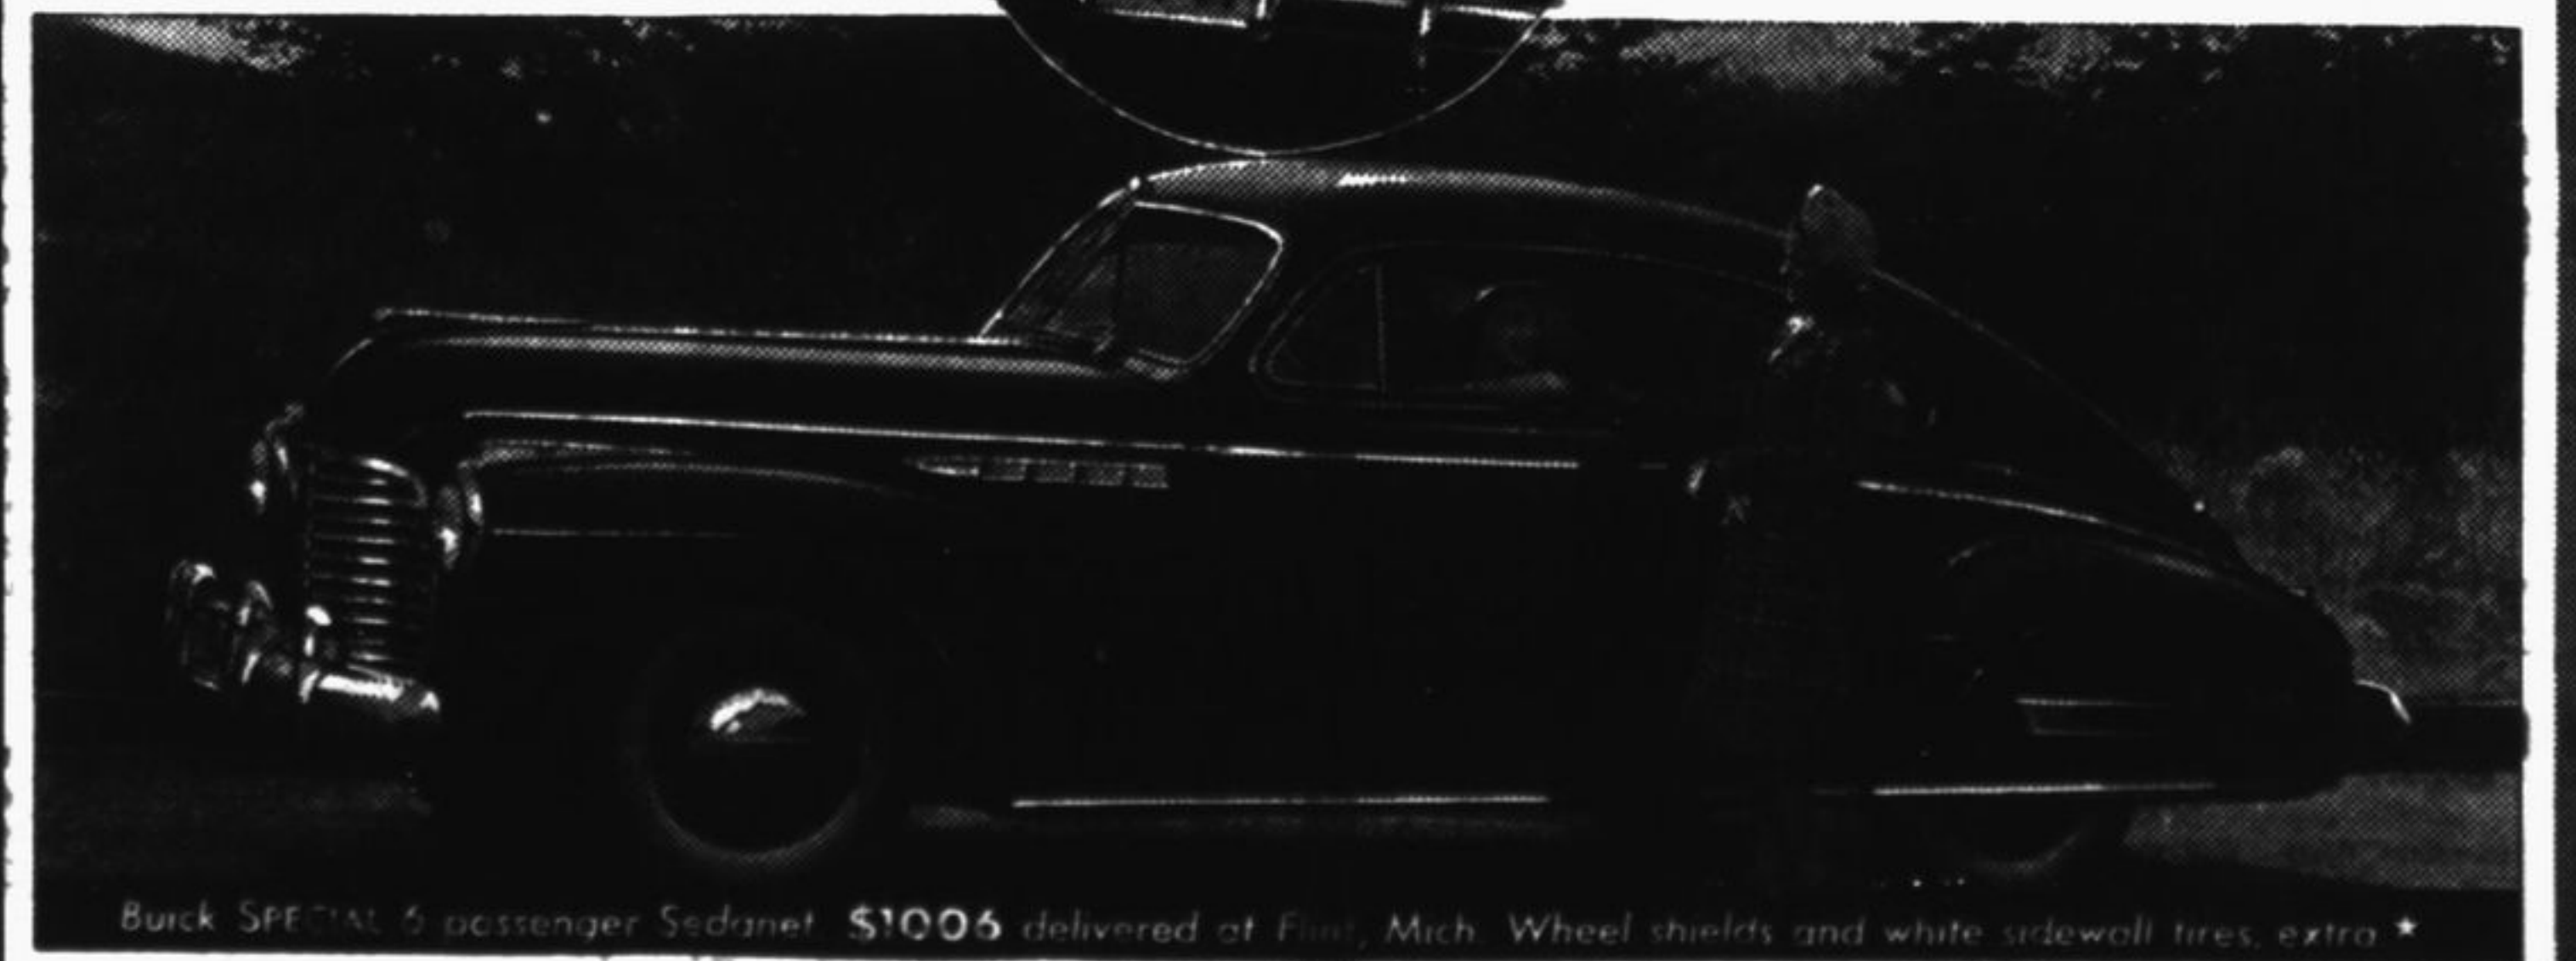

AS surely as the new Buick FIREBALL* straight-eight engine sets the performance pace for the coming season, the graceful silhouette of the new Buick SPECIAL and CENTURY cuts the automotive style pattern for another half decade.

The reason is not alone the grace of its Buick-created lines, nor the appearance of solid substance in action that gives this honey the look of a speedster straining at its leash.

It is the practical quality of great room enclosed in sleek and flowing lines—more room for legs, for elbows, for heads, more room for entrance and more room for carrying luggage—that makes this the silhouette the cars of the future will seek to achieve.

Why wait for that—when in this Buick you travel in a car that, like time and tide, obviously isn't waiting for any man?

*According to the Encyclopaedia Britannica, a super motor which travels with a series of explosions like the shock waves of a great projectile is called a "FIREBALL."

Buick SPECIAL 5 passenger Sedan. \$1005 delivered at Flint, Mich. Wheel shields and white sidewall tires, extra.*

Buick prices begin at \$935 for the Business Coupe delivered at Flint, Mich.

*Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra. Prices subject to change without notice.
