

County Republican Rally to Be Held Sunday at Lake Villa

Plans for the Lake County Republican rally to be held at Sherwood park, Cedar Lake, Lake Villa, on Sunday, September 22, are progressing rapidly. This outing and rally promises to be one of the most successful of any ever undertaken by Republicans in Lake county.

Both Dwight Green and C. Wayland Brooks, Republican candidates for Governor and U. S. Senator respectively, will be present at the rally. They will be accompanied by the entire ticket, as well as all Republican candidates for county offices.

The Waukegan Young Republican club and the Lake County Young Republican Federation, who are acting as co-sponsors of the outing, are enthusiastic in their hopes that at least 4,000 Republicans of all ages will attend and plan to spend the entire day.

James Zarafa and Wesley Carey, co-presidents of their respective organizations and co-chairmen of the rally, have announced that there will be a full and complete program of contests, games and other entertainment lasting throughout the day. In the evening, dancing may be enjoyed at the Sherwood park pavilion. Food will be served during the afternoon to all attending, free of charge. Robert Brown, in charge of refreshments, has promised a capable crew of young Republicans present to serve the food without confusion or delay.

Several ball games are planned in the afternoon program. A team is being formed of precinct committeemen to engage in a contest with the junior precinct committeemen recently appointed. In addition to this game, invitations are being extended to two of Lake county's foremost softball clubs to play at the rally.

There will be many contests in which all present will be invited to participate, with valuable prizes to the winners. The committees, under Clarence Adams, Robert Coulson and Lawrence Bidingier, are planning a continuous series of events, contests and entertainment for those attending.

Registration facilities are being set up so as to accommodate all Republicans. Prizes are being offered in connection with the registration. First voters are especially urged to attend, and separate facilities will be provided for their registration with valuable prizes to the lucky ones.

This rally is open to all Republicans of all ages, everyone is invited, and it is earnestly hoped that all Republicans will attend.

American Boy Is Companion to Many

Hundreds of thousands of boys and young men read THE AMERICAN BOY magazine every month and consider it more as a living companion than as a magazine.

"It's as much a buddy to me as my neighborhood chum," writes one school senior. "THE AMERICAN BOY seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in THE AMERICAN BOY."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in THE AMERICAN BOY Magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track, tennis, in fact every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and leaders of boys' clubs also recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in THE AMERICAN BOY, the sort of reading matter boys like best.

THE AMERICAN BOY sells on most newsstands at 25c a copy. Subscription prices are \$2.00 for one year or \$3.50 for three years. Foreign and Canadian rates 50c a year extra. To subscribe simply send your name, address and remittance direct to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Michigan.

Town Hall Inc. Will Open Series In Evanston Oct. 11

Prominent residents of Evanston and North Shore communities are enthusiastically endorsing Town Hall, Inc., which opens its series of lectures by world celebrities the evening of October 11 in the Evanston Woman's club auditorium.

Patterned after Town Hall in New York and similar ventures in other leading cities of the United States, Evanston Town Hall will be under the direction of Mrs. Wesley W. Polk. Special suburban representatives of the course will include Mrs. P. M. Murray, Highland Park; Mrs. Glenn G. Coulter, Winnetka, and Mrs. Kenneth B. McAfee of Wilmette.

In her latest contribution to Evanston's cultural program, Mrs. Polk has booked only speakers of international renown. This policy means that Town Hall subscribers will receive at first hand the "hottest" news of the world from such celebrities as Leland Stowe, H. R. Knickerbocker, Henry C. Wolfe, foreign affairs expert, and that fearless firebrand General Hugh S. Johnson, who will inaugurate the Town Hall season on October 11.

Mme. Mai Mai Sze, who is returning from China this month, will bring the "low down" on the Far East situation, and other speakers of the ten-lecture program are of equal reputation in the interpretation of world events.

A question period of audience participation will follow each talk, thus adhering to the Town Hall custom of the open forum. The successful Town Hall pattern will be emphasized again when the season ends the evening of Wednesday, March 26, 1941, with George V. Denny Jr., president of the New York Town Hall, and famous director of Town Hall of the Air heard weekly by radio millions. Dr. Denny will appear at Evanston in his typical radio role as moderator for the prominent speakers who will participate.

Besides those mentioned, others

endorsing the new venture include: Mr. and Mrs. Benjamin F. Affeck, Mr. and Mrs. Henry A. Gardner, Mr. and Mrs. James G. McMillan, and Mr. and Mrs. William G. Porter, all of Winnetka.

Mr. and Mrs. Francis L. Bacon, Mr. and Mrs. Charles M. Cartwright, Congressman and Mrs. Ralph E. Church, Mrs. Hugo Walmar, Mr. and Mrs. John A. Diener, Mr. and Mrs. John R. Merriam, and Mr. and Mrs. James Roy Skiles, Evanston; Mr. and Mrs. Walter C. Hubbes, Glencoe; Mrs. Paul Steinbrecher of Chicago, and Purcell L. Smith, Kenilworth.

Subscriptions Now Are Available to North Shore Series

With season subscriptions to the second annual North Shore Series far in excess of the mark set last year, the committee in charge of this group of concerts again urged North Shore residents this week to obtain seats for the series as rapidly as possible in order to assure favorable location. Plans for the series include some type of special civic observance in Highland Park according to Mrs. Ross J. Beatty, chairman of the Series committee, who this week urged the Highland Park Chamber of Commerce to assist in obtaining civic recognition for this outstanding group of musical events.

The series will open on October 27 when Marian Anderson, brilliant contralto and probably the outstanding figure on the concert stage today, appears in the auditorium of the Highland Park High school. In answer to many inquiries the sponsors of the series have announced that single admission tickets to the first concert will go on sale on or about October 1. These tickets will be priced considerably higher, comparatively than the single concert when purchased on season subscription. This fact reflects the desire of the sponsors to present the series as a season music course, a group of recitals of consistently high quality which will afford North Shore mu-

sic-lovers the finest recitals obtainable throughout the winter season. Following Miss Anderson's concert, the Series will present the famed Jaroff Don Cossack choir, Mischa Levitzki, pianist, Mischa Elman, violinist, and Ezio Pinza, basso. Tickets may be obtained at the Treasure Chest, 390 Central avenue, Highland Park.

Community Choral Club To Sponsor Home Talent Show

The Community Choral Club will sponsor a home talent show on Friday, Oct. 18, to be given in the Community Center auditorium. Anyone interested in trying out for this program telephone 1837 or 2856. Cash prizes will be awarded the best acts.

Highwood Receives Final Checks On Improvement Project

Highwood received its final grant check from the Public Works Administration yesterday for \$27,106.30 for completion of the water works.

The city was also in receipt of a check for \$764.91, final requisition for the Railway avenue new pavement project.

Every year we spend \$1,800,000,000 too much in taxes. Public funds wasted on gold badges, dry swimming pools, twin courthouses, needless insurance and other foolish and cynical extravagances could easily pay for 26 new battleships. Don't miss this startling article by James Vernal Clarke of the tax foundation, New York City, in The American Weekly, the magazine distributed with next week's Sunday Chicago Herald-American.
