

# Highwood Highlights

LENA GLANDT, Representative Telephone H. P. 53

Mrs. James Albert was honored at a miscellaneous shower last Thursday evening by a group of her friends.

Mr. and Mrs. A. Wysocky and sons, Paul and John, left Saturday morning for a week's motor trip through Missouri and Arkansas. They will also visit the Ozark mountains.

At the last meeting of the Junior Italian Women's Prosperity Club in the Labor Temple the following were accepted as members: the Misses Dena Carani, Lena Rebeschini, Laura Bollini, Highland Park, and Rena Piazzi and Angelina Crocetti, Highwood. This brings the total roll call to 74.

It was also decided to contribute to the Community Chest, the amount to be determined later. A social hour followed the adjournment of the meeting. At their next meeting on October 17, a style show will be presented for members, their mothers or other guests, and the Senior club. Also those who have tickets to sell for the Columbus Day dance are asked to report proceeds to Miss Mary Santi, Palmer avenue, Highwood, by Oct. 4.

Miss Caroline DeBartolo left last Monday for Ames, Iowa, where she will attend school for the coming year.

At the semi-monthly meeting last week of the Highwood city council a protest was heard against the proposed widening of Highwood avenue. Attorney Mortimer Singer appeared in behalf of his client, Edward Shapiro, a drygoods merchant.

Shapiro claimed that his property value would be lessened if Highwood avenue was widened, because that pavement would be but six feet from his door. It was agreed to widen the street from its present 33 feet to 45 feet from Railway avenue to Palmer avenue, where the Shapiro property starts, but will be cut down the widening to 39 feet from Palmer avenue to High street, where the Shapiro property ends.

The final payment of \$27,106.33 from the Public Works Administration for the Highwood water-works system was also approved. This brought the total to \$91,000 in cash the federal spending agency contributed to the project. The remainder was provided by water revenue bonds, the last to be retired in 35 years. Alderman Joseph Calzia suggested that perhaps the consumer water rate of 22 1/2 cents per 1,000 cubic feet of water—the same as was paid Highland Park prior to the opening of the Highwood plant on Jan. 1 of his year — can be reduced within a few months.

Mrs. R. Berberiek, who recently underwent a major operation at the Highland Park hospital, is reported as doing fine.

Mrs. John Cummings entertained her card club Tuesday evening at her home.

The Italian Women's Prosperity Club will open their meeting promptly at 7 tonight (Thursday) in the Labor Temple, it was announced by Mrs. Sam Somenzi, president. It was planned to open the meeting an hour earlier so that the games planned for after the business meeting can get under way. Prizes and food will be donated and proceeds are to go to needy families. Mrs. Mario Ori is co-chairman for the event.

The Highwood Boosters lost a close game at home Sunday afternoon when the Glenview Minor League All-Stars scored twice in the ninth inning to win, 2 to 1. The Highwood nine went into the lead in the fifth inning on Lenzini's home run, but were overcome in the ninth when Erickson J. Cuss and Dzirua of Glenview doubled in succession for the tying and winning tallies. Leading batsmen for the Boosters were Pasquesi and Valasek.

Gloria Linari, 15-year-old soprano, sang last Wednesday at the opening of the Highland Park Music Club at the home of Mrs. Arnold Exo. She sang an Italian folk song and Strauss' "Blue Danube."

The American Legion Auxiliary held installation of officers at their meeting Wednesday night with Mrs. White, district chairman, acting as installing officer. Mrs. H. Lund will be president for the coming year, assisted by Mrs. R. Blum, Mrs. C. Smith, Mrs. C. Anderson, Mrs. C. Cameron and Mrs. C. Mahen. Following the installation ceremonies refreshments were served to the members and guests and the birthday of H. Kehrwald, first pres-

ident of the Stupey-Smith post, was observed.

Mayor Charles Portilia has announced that Highwood city employees, if conscripted in the general draft, will not draw their regular municipal salaries during the year they are in service.

The question arose when it was learned that the Evanston city council has agreed to pay its men in U. S. service their regular monthly check from the city.

"It would be fine if we could do this in Highwood," the mayor added, "but we haven't the money."

A marriage license was applied for by Joseph Venturi and Mary Vai in Clinton, Iowa.

Mrs. Reynolds has moved from Niles Center and will make her home on Burton avenue.

Mr. and Mrs. Gilbert Gambi are the proud parents of a baby boy born on Tuesday at the Highland Park hospital.

Mrs. Mary Bernardini was hostess to her bridge club on Monday evening.

Miss Georgia Whittlach left Sunday morning for Louisville, Ky., where she will visit with Mr. and Mrs. C. Groppi.

Mr. and Mrs. Edward Sullivan and family have taken up residence in Highwood. They formerly lived in Texas.

Mayor Charles Portilia has issued a warning to owners of vacant property in the city on the matter of

uncut weeds, and if the lots are not mowed immediately, drastic action will be taken by the city. The mayor said the standing weeds will be declared a nuisance, and warrants will be issued for those failing to cut them down.

The monthly meeting of the Modenese Mutual Aid society will be held Friday evening, Sept. 27, at the Labor temple.

## Emanon League Entertains Tuesday Bundles for Britain

Emanon league of the Y.W.C.A. entertained members and guests, numbering 30, at a weiner and marshmallow roast Tuesday of last week. Mrs. Theodore Fischer and the new general secretary of the Y were guests at the gathering.

Miss Rosemary Rafferty, house chairman, had charge of arrangements, with a committee assisting her. A six-months program, drawn up at a previous meeting by the officers, was approved in outline by the assembly of business girls.

Dancing to the nickelodeon followed the formal business session, during which a motto and colors were adopted. It was decided to draw up a yearbook, under the direction of Miss Tulla Fiochi.

The next meeting will be Oct. 1 at the YWCA, the second meeting under the new officers. Those busi-

ness girls interested in joining the group are invited to attend at that time, when motion pictures are planned to be shown.

# Announcing the big NEW FORD 1941 FORD

In some years, some cars take a big jump ahead. The Ford does that for 1941.

It has jumped ahead in size. It's the biggest Ford we've ever built, inside and out. It's wider. It has a longer wheelbase. Its seating room is wider by as much as 7 inches. It has new wide doors and semi-concealed running boards.

You'll notice also a new beauty, achieved by a skilful blending of mass with longer flowing lines. Larger windshield and windows give better vision all around.

One of its biggest advantages is the new soft ride.

New, slower-action springs give a slow, gentle, gliding movement. A newly designed stabilizer helps absorb road shocks, and maintains balance on sharp curves and in cross winds.

More rapid acceleration to match its familiar speed and power makes this new Ford an even livelier car to drive.

These are only a few of this new car's outstanding features. It represents all the rich experience gained in building more than 28 million motor cars.

Any Ford dealer can give you many good reasons for making this your 1941 car.
