YMC In Deadlock With Austin Blues; Wicklander Injured

Again it was Wyatt Peshman, the "red and white" miracle man, who saved the day for the local grid-ders last Wednesday, Oct. 9, when the strong Austin Blues invaded Highland Park. His brilliant 45-yard run for a touchdown in the second quarter gave the Y.M.C. their only touchdown of the game.

The Blues scored a touchdown late in the third quarter when they recovered a Y.M.C. fumble on the locals' 8 yard line. It was on this particular play Bob Wicklander, fleet H. P. halfback, broke his ankle.

Line Coach Matt Maiman was highly impressed by the offensive playing of the Y.M.C. and never before had he seen the line functioning so well. The Y.M.C. backfield also enjoyed a banner night in outplaying the visitors in every respect. This was the local's fourth consecutive game of the year without a defeat.

Large Sums Of Money Reported Lost; No Finders

Losses of two large sums of money have been reported by Highland Park residents during the past week, and to date the theory that "honesty is the best policy" has not materialized.

Mrs. Lester R. Wellman Jr., 800 Princeton Ave., reported to Highland Park police Monday that she had dropped an envelope containing \$850 in the business district. The envelope was marked "Mrs. Ira Frank, 129 Lake Shore drive, Chicago." The currency was in three \$100 bills and a \$50 note.

Last week, Warren Leihser of the Udell apartments, lost a bill fold containing \$55 in cash, his social security number, driver's license, golf membership and other valuable items at the Highland Ten Pin alley's.

Former Resident Is Taken By Death

Funeral services were held Thursday in Waukegan for Mrs. Laura Aithleen Corlett, sister of Ernest and Albert Gail and Mrs. Clara Devendorf of this city, who died Tuesday following a major operation in a Waukegan hospital.

The deceased was born in this city, April 4, 1883. In 1912 she was married to Robert Corlett. For the past 16 years she has lived in Waukegan. Practically all of her life had been spent on the North Shore. After her husband's death she became affiliated with the ticket office of the North Shore line and had held that position for 19 years. Besides the Highland Park brothers and sisters, she is also survived by a sister, Mrs. Vivian Wang of Chicago.

Plan Dinner For Bob O'Link Caddies

A dinner for Bob O'Link caddies will be held Thursday, October 31, at 6:30 p.m. at Bob O'Link Club.

There will be entertainment aplenty and prizes besides. The big double star feature attraction after the dinner will be a showing of the American League's famous movie, "Touching All Bases." Besides this big feature, the caddies are planning an entertainment to be put on by themselves. This affair promises to surpass the entertainment given last year for the caddies.

Women Is Hit By Bicycle Tuesday

Miss Ella Martin, 69, of 174 Hazel avenue, was bruised when she was knocked down by a bicycle on St. Johns avenue in the business district last Tuesday afternoon.

Felix Norden, 10, of 820 Laurel avenue, reported the accident to the local police, but at the time the youth did not know who the woman was, as she walked away apparently unhurt.

Table Tennis Club

Plans are under way for the formation of a table tennis club that will meet twice monthly in the large hall at the Community House.

It is planned to have at least six tables available. To members of the club, the lighting facilities at the hall are especially fitted for this purpose.

More tables are needed. If anyone has a ping-pong table he would like to donate to the Community House, the gift will be much appreciated.

Camera Club Organization

A meeting of people of all ages interested in photography will be held at the Community House Wednesday evening, Oct. 30. A well-known speaker will be present. After the meeting the new dark room for the use of members will be inspected.

Plans for the year are being made by the Organization committee, composed of Richard Uhlman, Frank Selfridge, Fred Clutton, and Elmer Hecksteweller. It is probable that senior, intermediate, and junior clubs will be formed. Later in the year special demonstrations, lectures, and exhibitions will be arranged.

All those interested in taking part in any of these activities are urged to attend the meeting.

Music Committee

To coordinate and give impetus to the many musical activities being developed through the Community Center, Mrs. Helen Byfield has been chosen chairman of the Music committee.

The board, in making this appointment, feel particularly fortunate in having the benefit of her experience in starting its program of activities.

"Many new and interesting things can be done," said Mrs. Byfield, "if the community is interested. For instance, community singing, square dances, harmonica band for boys and girls, music appreciation classes, a pre-Ravinia course, Sunday afternoon programs with interpretations of the Philharmonic symphony, and many other possibilities are worth considering."
