"Leaves of Lethargy", the true story of a clever criminal who combined science with a "witchcraft" in the search for an elixir of eternal life. The third article in a new series by Master Detective H. Ashton-Wolfe, in The American Weekly, the magazine distributed with next week's Sunday Chicago Herald-American.

Red Cross Units to Work for Soldiers in Camp This Winter

At the annual meeting of the Red Cross Production Unit of Highland Park Mr. Roger Holden answered questions on the work to be done during the year. In response to the question as to whether the Red Cross would be asked to help the soldiers in the camps this winter he said we would undoubtedly be called upon to work for the drafted soldiers after they were in camp, doing canteen work, surgical dressings, and providing knitted goods to supplement what is given by the government.

The meeting was held on Friday, October 18, at the Trinity church parish house. One hundred women sat down to lunch and attended the meetings afterwards. Mrs. Vail, chairman of the Unit, presided at the meeting and gave a short resume of the work done. There are 389 members.

Reports were given by the heads of committees as follows: Mrs. O'Hara, chairman of knitting—342 registered knitters, 1,752 garments turned in.

Mrs. Alfred Sihler, co-chairman of sewing, reported a small group had finished garments including layettes, surgical gowns, women's and children's skirts and boys' shirts.

Mrs. Daniel Gutman reports 23,029 surgical dressings; of these 1,240 went to H. P. hospital, 3,846 went overseas and to Chicago hospitals.

After these reports Miss Benson, from the Chicago chapter, told of the various types of units that are being organized as the need arises.

1. Motor Corps, which includes First Aid. An instructor is sent out to any unit for a class of 20. The course consists of 20 hours, 10 lessons with text book.

2. Canteen. Food and nutrition. An instructor is provided for a group of 20. The course consists of 12 hours. Six lessons on balanced diet, preparing food for sick, etc.

3. The Care of the Sick. This course has to be taken in town and is at headquarters cooperating with hospitals and at the end provides the "grey ladies" on call for service.

A class is being formed in First Aid now. Anyone interested in joining please call Mrs. Gilroy at Highland Park 2461. Other classes will be formed as the need arises.

The last speaker was Mr. Roger Holden, manager of the Chicago chapter, who spoke very forcefully on the history and scope of work the Red Cross does.

Under the Red Cross, operating in 62 countries of the world, there is the "League of Red Cross Societies," which operates in time of peace, i.e., helps in national disasters, etc.

At the present time there are three divisions of the work done in the United States: 1—Assisting in repatriation of American citizens—

200 a week—mostly children of foreigners. 2—Welfare and Inquiry. Several thousand inquiries a week of those waiting information of relatives are followed up and are successful in one-third. 3—Production. Hospital and medical supplies. Ten million surgical dressings and 14 million garments. Chicago handles 10% of the total. 4—National headquarters. Fifty million surplus of commodities from government to draw on and send abroad; 95% to England and 5% to England and China. Five million dollars to England. None lost and no cost. Fifty cents of every dollar goes for disasters of which there are 500 a year in the United States. Disabled veterans—20,000 in Chicago alone. Social service.

Mr. Holden ended his talk by saying that the American Red Cross was working in complete harmony with all British war relief units through a central committee in London.

So please come and help your local chapter—IT NEEDS YOU.

Fall Rummage Sale At Trinity Parish House November 14-15

A noteworthy event, always looked forward to by many people, is the annual Fall Rummage Sale of the Trinity Guild and Women's auxiliary of the Episcopal Church of Highland Park, to be held at the Parish house on Laurel Ave., Thursday and Friday, November 14th and 15th. This year the sale will be an unusually large one, and the articles to be offered are unprecedented in quality and value.

Mrs. Frank Blake and Mrs. Alfred S. Trude, co-chairmen of the event have worked continually all summer to make this sale the biggest and best that Highland Park has ever offered. It is a date that should be kept well in mind, and further details will be announced the week preceding the sale.

Old Rival Beaten At Homecoming Game; Play Waukegan Next

The Highland Park high school football team had a successful homecoming last Saturday when both the varsity and frosh-soph scored victories over their old rivals New Trier. This was the first time since 1934, that the local team was victorious over New Trier. The frosh-soph won 19 to 7, and the varsity scored six points while holding their opponents scoreless.

The Highland Park frosh-soph scored in the first quarter when Baldrini threw a 25 yard pass to Jones who ran 10 yards for the first six points. In the second quarter Jones made the score 12 to 0 when he again caught a pass from Baldrini and ran 30 yards to score. In the third quarter Baldrini went off tackle for 20 yards and another touchdown. Jones kicked the extra points. New Trier scored 7 points in the final quarter to leave the score 19 to 7 in favor of the locals.

The Highland Park frosh-soph lineup was: Pertz and Jones, ends; Mathiesen and Werner, tackles; Weber and Sasch, guards; Seso, center; Salyards, quarterback; Baldrini and Murphy, halfbacks and Baracani, fullback.

In a hard fought battle the local varsity won its first game in six years from New Trier. Playing "heads-up" football Coach Floyd's team won from a much stronger New Trier squad. The only score of the game was made in the second quarter when substitute halfback Pantle went through the line for 20 yards and a touchdown. In the second half New Trier fought gamely to overcome this lead but was unable to do so. In the last few minutes they drove 50 yards down the field and were within six inches of a touchdown with one more down to go when the whistle blew.

The varsity lineup for Highland Park was: Maechtle and McDonald,

ends; Chambers and Evers, tackles; Aiston and Tanielian, guards; Killion, center; Menduno and Flint, halfbacks; Barnhart, quarterback and Turner fullback. Touchdown—Pantle.

This Saturday both Highland Park teams travel to Waukegan to play the teams from the Waukegan Township High school. First game starts at 12:30 p.m.

State Federation Of Sisterhoods to Meet October 30-31

The Illinois State Federation of Temple Sisterhoods will hold its 17th annual meeting in Chicago, October 30 and 31, at the Hotel Sherry, 53rd street and the lake. The four South Side Sisterhoods, Sinai, K.A.M., Isalah, and South Shore, will act as hostesses with Mrs. Ralph Reis chairman.

The officers are: Mrs. Wilford M. Newman president, Highland Park; 1st vice-president, Mrs. Harry Shanhouse, Rockford; 2nd vice-president, Mrs. Isaac Kuhn, Champaign; recording secretary, Mrs. Philip H. Liederman, Chicago; corresponding secretary, Mrs. Laurence C. Friedlander, Chicago; treasurer, Mrs. Laurence Stern, Chicago.

A banquet will be given at 6:30 p.m. at which Mrs. Benjamin Gosal, Chicago, program chairman, will present Rabbi Victor Reichert of Cincinnati, Ohio who will speak on "Strategy of Religion in a Chaotic World."

Death Rides The Highways

- FIVE RULES OF SAFETY FOR THE MOTORIST:
1. Never drive if you are ever tired. You must always be on the alert, even when your speed must conform with city limits and your common sense should govern use of that limit.
 2. Govern your speed and alertness to driving conditions. Never speed when you see children playing. Slow Down! Check your speed when children are going to and from school.
 3. Safety patrol boys who wear the white belts and breast bands or who have duo-colored flags are your protection against accidents. Obey the boys signal the same as you do the automatic signal lights.
 4. Several states now interpret the law to hold a driver for hitting a child under 16 years of age for man-slaughter. It's your responsibility, Mr. Motorist, to protect those precious lives!
 5. Have those brakes, born, lights and tires checked frequently. And, last but not least, don't forget to dim those lights when approaching oncoming traffic.
- REMEMBER! DEATH RIDES THE HIGHWAYS!

GONE FOR THE DAY

TOO BAD!

Perhaps, in the past, you planned some business trip with the greatest care — then wasted long hours calling on people who were "gone for the day."

From now on, why not telephone ahead to be sure your good prospects will be ready to receive you? You cover more ground, get more action, take less time.

Another thing: there's no rule, in most businesses, against starting and finishing the sale by telephone! There's no better way to keep out-of-town accounts active and orders coming in.

All this isn't exactly news to you — but still there may be chances you've missed. Time is money — and the telephone saves time!

ILLINOIS BELL TELEPHONE COMPANY

Tune in "THE TELEPHONE HOUR," every Monday, 7 P. M. — WMAQ

Call ahead — keep ahead!

Typical daytime STATION-TO-STATION rates:

About 100 miles for only . . . 60c
About 140 miles for only . . . 75c
About 220 miles for only . . . \$1.05
About 300 miles for only . . . \$1.25

NIGHT AND SUNDAY RATES ARE EVEN LOWER
