### 72 Ravinia Students Go on Conducted Tour to Springfield

Seventy-two students of the sixth, seventh, and eighth grades of Ravinia school took a conducted tour to Springfield and New Salem, Ill., on Saturday, November 16. The group left the Illinois Central station at 8 a.m. and returned at 9:45 p.m.

In conjunction with a number of schools in the Chicago area, the Ravinia students were taken in buses from the depot in Springfield to the \$4,000,000 Capitol, where guides

explained the significance of the numerous points of interest. These included the statues of Abraham Lincoln, Stephen A. Douglas, and other notable: the paintings and bronze mural decorations, and the various offices of the state officials.

The children sat at the desks of the representatives in both the House and Senate chambers before going to the village of New Salem, the reconstructed first Illinois home of Lincoln. This village has been accurately reproduced and the children were able to see and photograph the homes and furnishings of the early days.

After seeing the Lincoln tomb and monument in Oak Ridge cemetery, the group went through the only home that Lincoln ever owned, a two story frame building that is maintained by the State Division of Parks as a museum. Following dinner at the St. Nicholas hotel, the party boarded the special train and left for home.

Miss Laura Stoddard, Miss Lorraine Sinkler, and Mr. Arno Wehle, Ravinia instructors, accompanied the local group.

**IT'S THANKSGIVING!**

But may we be even more thankful for the ideals of liberty, tolerance and equality, brought to us by the Pilgrim Fathers! Thankful, too, that our influence and efforts, with the help of the God of us all, are now more effective than ever in imparting these ideals to all the peoples of the earth! Thankful not alone for what we have received, but for what we can give to release millions from the bondage of tyranny and slavery and bring to them the solace of peace and the blessings we enjoy!
