# TO THE MAN WITH A JOB WHO NEEDS A LOAN

## How you can borrow \$20 to \$300 quickly and simply

**NEED** a cash loan? You can borrow \$20 to \$300—without endorsers or guarantors—if you can make regular monthly repayments. You needn't even come to this office to apply for your loan. Just send the coupon below or a letter for complete information without obligation.

**Payments to fit your income**  
See in the table below how you may repay your loan in convenient monthly installments that fit your own income. Suppose that you need \$100 and can readily repay \$9.77 a month. The table shows that your installments will repay a \$100 loan in full in 12

months. Or, if you wish smaller payments, as little as \$6.43 a month for 20 months will also repay a \$100 loan. (Loans also made in other amounts and for other periods. Ask for payments on any loan not shown.)  
Payments in the table cover everything. They include charges at Household's rate of 2 1/2% per month on that part of a balance not exceeding \$150, and 2% per month on that part of a balance in excess of \$150. This rate is less than the maximum prescribed by the Small Loan Law. Note that the sooner you repay, the less your loan costs.

**No red tape**

All you do to apply for a Household Finance loan is to acquaint us with your problem. We require no salary or wage assignment, no stocks or bonds. (Loans are made on furniture, car or note.) No credit inquiries made of friends or relatives. And you don't have to ask friends or fellow-workers to sign the loan papers with you. You get your loan quickly and simply.  
Send the coupon now for free booklet containing full information. No obligation to borrow!
