N. S. Creative Writing Group In Diversified Program, December 12

Winnetka, Evanston, Libertyville, Chicago, and Waukegan are among the places represented on the program Thursday morning, December 12, when the North Shore Creative Writing Group presents its Manuscript Morning at the Highland Park Y.W.C.A.

Following the program members of the group and their guests will enjoy an informal luncheon with Elizabeth Orton Jones, author-illustrator of "Maminka's Children" as their guest of honor. Registrations will be accepted for the five weeks winter term opening January 16 or the ten week spring term beginning March 6 before the fall class is dismissed for the Christmas holidays on December 12.

Group members presenting three or five minute digests of their manuscripts on December 12 include Mrs. John Sherman of Waukegan, Mrs. Kermit Diehl of Libertyville, Mrs. R. S. Corson of Evanston, Patricia Sloan of Chicago, Alice Westcott Marks and Mrs. Howard Bede of Ravinia. Winnetka will be represented on the program by Mrs. C. R. Jacobs, Mrs. A. L. Hodson, Mrs.

James Macdonald, Professor Richard Sandwick, Mrs. John Lemmon, Mrs. George Glader, Mrs. D. W. MacCorquodale, and Mrs. Everett Fontaine will be the Highland Park representatives introduced by the group teacher, Rowena Bennett. Hazel Crow Ewell of Ravinia, an artist-writer of the group, will exhibit a few pictures which have a story back of them. Class members who have been unable to attend all the sessions are urged to invite guests on their tickets for the December 12 morning when anonymity is lifted from the manuscripts.

Reduced Price Is Now Announced For The American Boy

With the announcement of an enlarged and enlivened magazine, *The American Boy*, foremost publication for boys 10 to 20, also announces a reduction in its subscription and single copy prices. Hereafter *The American Boy* will sell for 10c a single copy at newsstands or for \$1.00 a year and \$2.00 for three years on a subscription basis.

In announcing a change in editorial policy, publishers of *The American Boy* assure subscribers that the established fiction heroes who have made the magazine so popular with young and old alike, will continue to tell of their adventures exclusively in *The American Boy*. In-

cluded in this group are Renfrew of the Canadian Mounted, Connie Morgan and Old Man Mattie, prospectors; Square Jaw Davis, railroad engineer; Johnny Caruthers, flyer; Jim Tierney, detective; Tod Moran, seaman; Alan Kane and Ted Dolliver, adventures in science, and others identified exclusively with *The American Boy*.

However, with a larger magazine will come new fiction characters and an enlarged sports, defense and adventure program in the non-fiction field. Greater recognition will be given to outstanding boys the country over and an exceptional achievement will be rewarded with the boy's picture on the front cover. This feature was inaugurated with the November issue which carried on the front cover the picture of America's outstanding driver of high school age.

Teachers, librarians, parents and leaders of boys groups recommend *The American Boy* enthusiastically. They have found that, as a general rule, boys who read *The American*

Boy regularly advance more rapidly than boys who do not read it. Through the leadership and sports-manship of its fiction characters, boys are imbued with a desire to become leaders, to develop the high ideals and courage the heroes themselves display.

To subscribe to *The American Boy* simply send the name and address of the one who is to receive the magazine together with proper remittance (\$1 for one year or \$2 for three years) direct to *The American Boy*, 7430 Second Blvd., Detroit, Michigan.

Can't bomb out of men's minds Lady Godiva's heroic ride. The ancient city through those streets she rode clothed only in her hair to lift the burden of her townfolk, almost wiped out by ruthless Nazi airmen. How the memory of her self-sacrifice still lives, even though its scene is turned to rubble and ashes, told in *The American Weekly*, the magazine distributed with next week's Sunday Herald-American.

...the simple truth is she wants a simple slip!

A Beauty by Barbizon

Here is the slip a woman really loves to get for Christmas. It's the kind that has made BARBIZON the most popular slip in America — simply tailored, concentrating on fine fabrics and precise fit, rather than frills. If you were a woman, you'd know that fit in a slip comes first—and that frills have a distressing habit of wearing out too soon.

BRYN RITE is Barbizon's famous four-gore alternating bias-cut slip in all wanted sizes. Blush, White, Silk and rayon Satin . . . 2.25
