Sailors To Be Hosts To Arden Shore Boys At Xmas Celebration

The 50 boys at Arden Shore Winter camp are looking forward to a gala Christmas celebration at the Great Lakes Naval training station where they have been invited to noon day dinner and a personally conducted tour of the grounds. Admiral John Downes, the commandant, is their official host, and the enlisted men on duty that day will act as his hospitable deputies. It would be difficult to decide which group has the more exciting time at these annual festivities up at Great Lakes — the Arden Shore youngsters or the generous sailors who chip in to provide them with a grand dinner and an armload of presents, and who extend to them the friendliest welcome and spirit of fellowship.

Next Saturday night, December 7, the Winnetka Arden Shore committee, of which Mrs. Sam Clark is the new chairman, succeeding Mrs. Thaddeus R. Benson, will entertain the boys at a dinner party at the Sheridan road residence of Mr. and Mrs. N. Landon Hoyt.

The Wilmette committee has also elected a new chairman for the coming year, Mrs. Frank C. Huffman, who is taking Mrs. E. H. Freeman's place, and in Lake Bluff, Mrs. Walter C. Barnes succeeds Mrs. F. A. Ross as head of the local group. Mrs. Proehl H. Jaklon is chairman of Lake Forest.

Women Voters Question Representatives On Civil Service Bill

Members of the League of Women Voters in 47 communities in Illinois have started to poll their representatives in Congress and candidates for that office on the Ramspeck bill in general and on the vitiating Nichols amendment in particular, announced Mrs. Hynes Pitner, president of the Lake Forest league.

There is still a fighting chance, says Mrs. Pitner, to have a good bill, which would put approximately 200,000 positions under civil service, passed.

The Ramspeck bill extends the merit system in the most practical way possible by providing for non-competitive examinations for all employees and thus insuring that minimum standards, at least, are reached. The bill passed both

houses of Congress and was sent to a conference committee to iron out the differences in the bill as passed by each branch. The Senate approved the conference committee report, but the House insisted upon the Nichols apportionment plan. This action sent the bill back again to conference committee and no action is expected until after the election.

Says Mrs. Pitner, "Distributing jobs in the civil service according to where people happen to live (Nichols apportionment plan or quota plan) is geographic patronage and the League of Women Voters wants none of it. It doesn't matter where the employee comes from if he has the qualifications for becoming a good public servant."

Palmer House Empire Room Has New Show

They have a new "orchids and ermine" show over at the Palmer House Empire Room that is a perfect match for your formal clothes and winter-holiday mood—Merriell Abbott's "Holiday Revue."

Charles and McLathron and their lovely partner, Virginia Lee, who do an original high-hat routine, "Walk With Music," a walking tap dance that has gathered rave reviews throughout the nation.

Only four years ago this famous trio were three scared youngsters with only \$7 and a score of dancing lessons between them when they made their debut in the Empire Room in October 1936. Since then their triple career has been a mounting success story with one booking after another in the country's leading cafes and theatres—three months at Hollywood's Coconut Grove, the Waldorf-Astoria in New York and four months out for a run in South America's well known Cocoa-Havana in Rio.

The new show that Miss Abbott built for bandleader Ray Noble whose record-breaking run now enters its twenty-first week has a super-abundance of other good talent: Frank Paris and his Marionettes; a comedy acrobat, Franklin D'Amour, the Abbott chorines and Gary Stone.

The 10 o'clock "Little Show" stars Noble and his singing duo, Larry Stewart and Maxine Tappan with a special ten-minute halo for the popular little Abbott, Beverly Allen, in a specialty "After the Ball."

Ray contributes several brilliant new arrangements in the Noble manner and offers a new composition he wrote recently for a Broadway show, "Dinner Music No. 2."

Ruth Ray Plays At Colege Musicale

Miss Ruth Ray played the violin at a musicale at which Miss Agnes Koupal, Dean of Women at Lake Forest college, Miss Mabel Powell and Miss Martha Biggs, Lake Forest college librarians, entertained on Tuesday evening, December 3, in Lois Durand hall.

Well-known to music lovers, Miss Ray for more than six years studied under Prof. Leopold Auer in Europe and America. Her debut recital was played in Carnegie Hall, New York City, and was followed by a number of concert tours across the country, in the course of which she appeared in all the states as well as in Canada. Among these engagements were solo appearances with the principal orchestras of the country, including the New York Philharmonic, Chicago and Minneapolis Symphony Orchestras. She has also appeared in joint concerts with Caruso, Maxwell, Pavlovski and Sharlow.

Numerous requests for presentation and clarification of the Auer principles led Miss Ray to accept teaching engagements in Chicago and on the North Shore. She has served as a member of the advisory board of the Columbia School of Music in Chicago, as string coach of the University of Chicago orchestra, and from 1927 to 1930 was concertmaster of the Woman's Symphony Orchestra. Miss Ray is now head of the violin department and also teaches and lectures at Bradley College of Music in Peoria, Ill.
