

In building a new home, you will find that a house with rooms the standard lumber lengths is more economical to build because it eliminates waste.

In erecting buildings, it is usually advisable to have foundation posts of concrete or decay resistant wood, topped with metal termite and vermin shields.

## Ravinia Woman's Club Plans Annual New Year's Eve Party

Now that you have done your Christmas shopping early—or haven't you?—the time is ripe for New Year's Eve plans. This year the Ravinia Woman's club is making that sort of thing easy for members and their friends by offering them an opportunity to celebrate in their own community at the Ravinia Village House. Under the direction of Mr. and Mrs. John S. Van Bergen, a committee has been organized to bring something like chaos out of order for that night only, with dancing beginning at ten, and a buffet supper being served at midnight. Tickets, which must be obtained by December 20, may be purchased from Mrs. Nathan Corwith, Jr., Mrs. L. L. Howe, Mrs. Clifford L. Makeim or Mrs. A. J. McMaster. Attendance will be limited to a hundred and fifty couples, so hurry, hurry, hurry!

### Where Indeed!

A motor-cyclist was flying through a village when he was pulled up by the police.

"I say, man, where's your number plate?"

"Number plate?" The motorist turned round in surprise. "Number plate be blowed! Where is my wife and side-car?"

## Rename Auxiliary In Honor Of Mrs. Carr

In honor of the memory of the late Mrs. George Carr, wife of George W. Carr, the Highland Park Auxiliary of the Chicago Commons decided at its recent monthly meeting to be known henceforth as the Helen Taylor Carr Auxiliary of the organization. As a further recognition to one of the settlement's most zealous supporters, the Auxiliary will each year finance one child's vacation period at the Commons' summer camp, providing both the outfit and the funds needed for the outing.

By its action the Auxiliary will honor the name of Taylor, long associated with interest in philanthropy. Mrs. Carr's father, Graham Taylor, was founder of the Chicago Commons, where Mrs. Carr spent her earlier years. On her father's retirement, Miss Leah Taylor, sister of Mrs. Carr, became its active head, which position she is now holding.

## Local Men Place In Pistol Match

The Pistol division of the Sheridan Rifle and Pistol club held a very successful match at the club range in Deerfield last Sunday, December 8. Under the supervision of Wayne Lyons, pistol executive officer, and James B. McCraren, chief range officer a large attendance from Chicago and the North Shore competed over the two courses of fire—the 20 shot slow fire match, and the National Match course which consists of 10 shots slow fire, 10 shots time fire, and 10 shots rapid fire. All competitors used .22 calibre pistols.

Three Sheridan club members were medal winners in the matches—Wayne Lyons placed second, winning the silver medal in the National Match course. In the same match, C. W. Haupt Jr. was a medal winner in the C class. In the 20 shot slow fire match, F. W. Parker III placed second to win the silver medal. Other winners from the Chicago area were such fine shots as S. J. Iverness, J. Kalaynik, C. R. Goble, E. J. Lillie, and R. C. Powell.

Due to the enthusiasm with which this match was received and the many requests of the pistol shooters for more matches, the Sheridan Pistol division is happy to announce that there will be another match in the near future and everyone interested in pistol shooting is cordially invited to attend.
