

Highwood Highlights

LENA GLANDT, Representative

Telephone H. P. 53

Answering the country's need for young men to train in the United States army, Joe Notagiacommo enlisted Saturday morning with the Lake county draft board in Highland Park. He is the fourth volunteer for board No. 1, also composed of two Highland Park youths. They are Wallace E. Glader and Edward Moroney Jr. The boys will be subject to call in the next induction scheduled for after Jan. 1.

Among those applying for a marriage license last week were Elmer C. Hensley, Fort Sheridan, and Minnie Mary Polinine, Highwood; William E. Hayward, Highland Park, and Frances S. Liske, Highwood.

The Dorcas society and Brotherhood society of the Zion Lutheran church in Highwood will hold their annual Christmas party on Dec. 16.

Each year the two groups join for special gifts, entertainment and Christmas singing at this party. Men in the Brotherhood are requested to bring a gift for one of its members. Mrs. E. L. Nash is the program director.

Little Forrest Grandi, son of Mr. and Mrs. Amil Grandi of Ashland avenue, entertained a group of his friends Saturday afternoon in the Cuore Arte club rooms in Highwood in honor of his third birthday. Table decorations were in keeping with

the Christmas holidays.

Mr. and Mrs. William DeVroeg have moved to their new home on Western avenue.

Mr. and Mrs. Wm. Luebeke had as their guest last week their father, Mr. C. P. Thomas, of Wauconda.

Last Wednesday, December 4, marked the opening day for the sale of 1941 city vehicle stickers as announced by City Collector Thomas Russell Jr.

The prices are \$3 for pleasure cars and \$5 to \$20 for trucks, depending on the tonnage. The city ordinance states that stickers are to be pasted on the windshield on or before Jan. 1.

Due to the popularity of the Bel-larmine club meeting Tuesday night in the St. James church with younger high school students, the officers decided to divide the club into two groups, the junior and senior. Young people who are sophomores or jun-

iors in high school will compose the junior group, and those who are seniors or over 17 years of age will be eligible for the senior group.

The senior group will hold their meetings the first Tuesday of each month, while the juniors will meet on the second Tuesday. This past Tuesday marked the first meeting of the junior group.

The Highwood Citizens' School club held its regular meeting in the Cuore Arte club rooms last Thursday evening. Plans were discussed for a Christmas party to be held on Thursday evening, December 19. Following the business meeting games and dancing were enjoyed by the members, with refreshments being served by the refreshment committee.

All mothers are looking forward to the next meeting of the Oak Terrace School P.T.A. on January 7. Reason is that the fathers will have charge of the program and will have to provide the entertainment. However three mothers have volunteered to help Floyd Allender, seventh grade teacher, with some phase of the program. They are Mrs. David Dahl, Mrs. Sam Corso and Mrs. Virgil Lenzini.

Men on the committee are President V. William Briddle, secretary Monroe Hall, treasurer Edgar Benson, program chairman Reuben Olson, membership chairman Thomas Galloway, with Herman Juhrend, W. A. Thomas, John DeSmidt, Elmer Carlson, Charles Fiore, and George Kenry.

The Highwood Boosters defeated the Lake Forest team last Thursday night with a score of 15-12, which was the result of an overtime period. The Boosters basketball team will play again tonight (Thursday) at the Oak Terrace school gymnasium.

The city of Highwood and its fire chief, Arthur Englund, have much to worry them these days in regards to their fire department. First it was pointed out that due to the present location of the fire siren, the volunteer firemen cannot always hear the signal. An instance was pointed out that in the case of a strong south wind blowing, the Highwood siren can be heard in Lake Forest, but not in the south half of Highwood. Therefore firemen living or working in that vicinity sometimes do not even know there has been a call.

It was suggested that it be put on top of the city water tower, but that was vetoed by the mayor because he said "if the wind is from the north, it would be heard in Highland Park and not in Highwood."

Rumors still persist in Highwood that the North Shore line would be very glad to have the siren moved, as the gadget is a whimsical
