

FOR CHRISTMAS CHEER THROUGHOUT THE YEAR

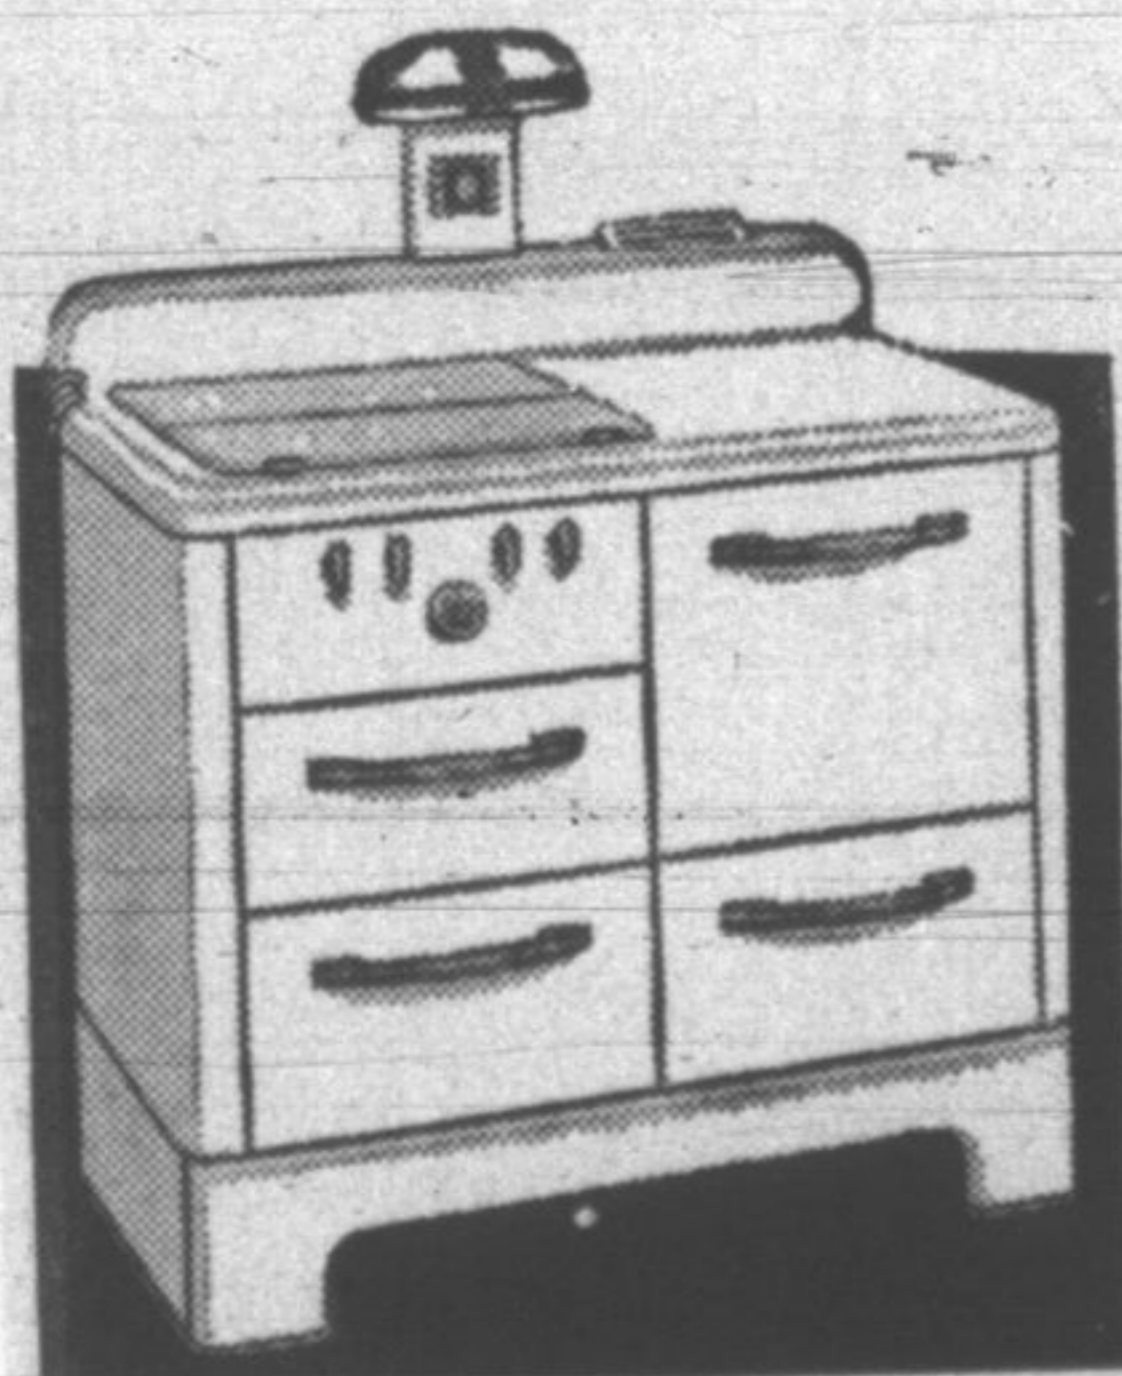

CHOOSE A FAMILY GIFT

You can make this the merriest Christmas ever, and continue it for years to come, by giving a gift for all the family. And what better meets this ideal than a nationally known 1941 Model GAS Range or a SERVEL Electrolux GAS Refrigerator!

Both are needed for modern living. Both offer constant conveniences and econ-

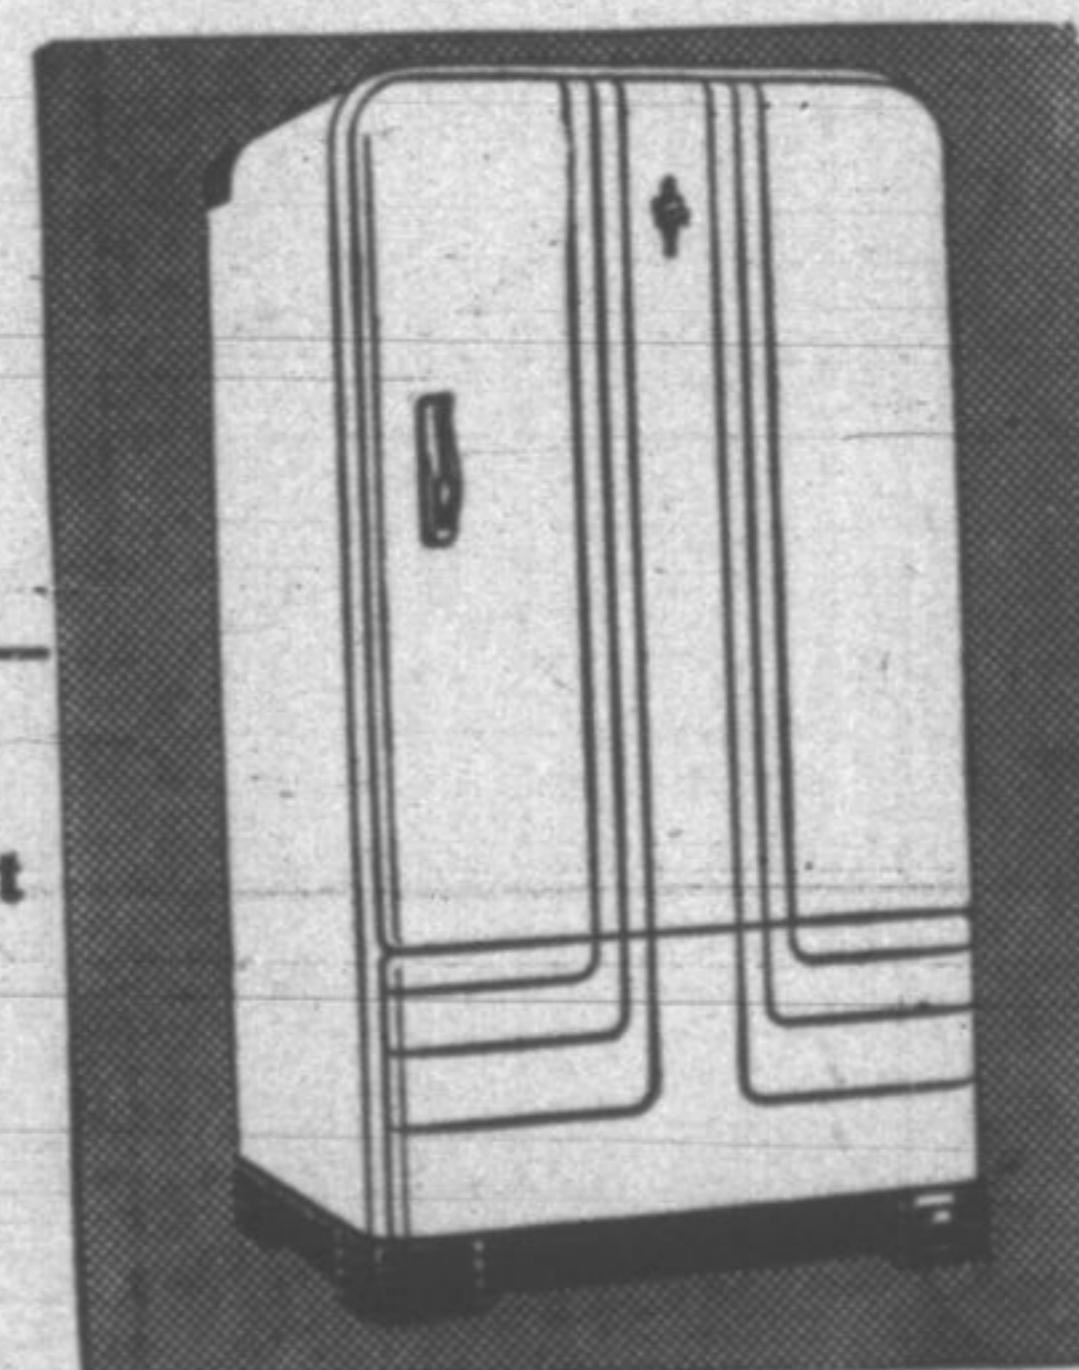

omies. Both add beauty and glamour to the kitchen. Their benefits, reaching every member of the family every day throughout the year, will make this a Christmas long to be remembered.

Come in and see how a small down payment will put one or both in your home before Christmas day.
