### Mrs. Harry Clow, Former Resident, Passes On Tuesday

News of the death of Mrs. Harry F. Clow, a former resident of Highland Park reached relatives here Tuesday afternoon. Mrs. Clow died Tuesday morning following a brief illness at her home in Culver City, Calif.

Until Sept. 1930, the Clows were residents of Highland Park, and conducted the Royal Blue Grocery store at the intersection of Second street and Green Bay road, where a filling station now stands. After selling their business here, they went to Culver City, Calif., where they purchased another store. In the spring of 1932 Mr. Clow passed away.

Mrs. Clow was a past worthy matron of Campbell chapter. She was a sister-in-law of Fred Tucker and the late George Tucker of Oakwood Ave. She is survived by two sons, Delmar and Irvin and a daughter, Mrs. Florence Reeder, all of California.

Funeral services will be held Friday in Culver City.

### Clothing and Toys To Be Distributed To Deerfield Needy

The Deerfield Grammar school children collected and repaired clothing and toys the past month, which are now ready for distribution. The social service chairman of the Deerfield unit of the American Legion Auxiliary Mrs. Erle B. Slown will have the articles in her home on Friday and Saturday, at 849 Osterman Ave., Deerfield, and anyone in the community who wishes to go there may do so. These gifts are for all the needy of the community and her home will be open morning and afternoon of both Friday and Saturday.

### Present Monthly Program At Vets Hospital Friday

The time has again arrived for the monthly visit to Great Lakes hospital where a program sponsored by Mrs. Richard Mansell and Mrs. Erastus Phelps is presented monthly for the enjoyment of these unfortunate heroes of the last world war. Through the courtesy of Miss Griswold, H.S. Girls' adviser, three students will appear Friday in an attractive program at the Great

Lakes hospital. Mary Cassario, who has appeared on numerous programs at the Great Lakes, has again consented to present several dance numbers. Helen Milano will sing a group of gay songs while Mary Sanford will give piano selections.

This worthwhile service is greatly appreciated, for it brings so much enjoyment to these pathetic victims. There is a dire need for more entertainment for these shut-ins, and it is hoped that any local persons who have a talent and can spare a few hours will offer their services for at least once, during the coming year. Mrs. Mansell or Mrs. Phelps will be deeply grateful for your assistance.

### Slightly Injured

Marshall Quinn, 6, of 397 Elm place, sustained a slight laceration of the left cheek Friday afternoon when he was struck by an automobile driven by Betty Jane LeGoff, 440 Glencoe avenue. He was given first aid by Dr. D. E. Rossiter.
