## CHRISTIAN SCIENCE CHURCHES

"God the Preserver of Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 15.

The Golden Text was, "The Lord giveth wisdom: out of his mouth cometh knowledge and understanding . . . He keepeth the paths of judgment, and preserveth the way of his saints" (Proverbs 2:6, 8).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "The Lord is the portion of mine inheritance and of my cup: thou maintainest my lot" (Psalms 16:5).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The divine Mind that made man maintains His own image and likeness. All that really exists is the divine Mind and its idea, and in this Mind the entire being is found harmonious and eternal. The straight and narrow way is to see and acknowledge this fact, yield to this power, and follow the leadings of truth" (p. 151).
