

Blackhawk Society Presents Christmas Dance December 23

The Christmas activities of the Children of the American Revolution of the North Shore Chapter of the D.A.R. will be brought to a final close, with the annual Christmas dance to be held at the Highland Park Woman's club on Monday evening, Dec. 23, at 9 p.m. The entire proceeds of this dance will be turned over to the N. Shore Chapter as the Blackhawks contribution to the Community Center pledge and to the D.A.R. school Tamasee.

This dance is the annual project of the senior group of which Philip Stokes is president, Mrs. Mary Helmhold and Mrs. Earl Gsell, senior representatives.

The Junior group of the Blackhawk society held their Christmas party celebration on December 7 and 14 at the home of Mrs. Baldwin Newman and Mrs. Edmund Andrews. A full attendance was reported. Rev. Christoph Keller accepted with thanks the gift of the society of toys, money and provisions for local distribution. He gave a brief address to the children on "Religious Giving and Patriotism."

Contributions of 10 large scrap books and other books made by the A. and B. Groups for the library at Tamasee school, the D.A.R., owned and operated institution caring for and educating underprivileged children of the isolated mountain district of South Carolina were made, which will be sent this week.

Frosh-Soph Team Defeats Oak Park

Last Friday night on their home floor the members of the Highland Park high school frosh-soph basketball team won their second Suburban league game when they beat Oak Park 27 to 19. Meanwhile the local varsity lost 31 to 15.

The local frosh-sophs went into the lead in the first quarter and thereafter were never headed. At half time the score was 15 to 5 in their favor. Jones and Giarelli of Highland Park with 11 and 10 points respectively were the leading scorers.

The Highland Park varsity showed a great deal of improvement

over their game with Waukegan. They held Oak Park to an 8 to 8 tie at the half. However, the local squad was unable to keep up with the fast pace set by the numerous Oak Park substitutes and scored only 2 points in the third quarter while the visitors made 9.

This Friday night the local teams play Morton in the Highland Park High school gymnasium. The first game starts at 7:30.

The box scores on Friday night were:
