

MOTHER-DAUGHTER PARTY IS PLANNED

Sisterhood Will Entertain At Annual Affair Monday

All is ready for the Mothers and Daughters party to be given Monday December 30th at 2 p.m. by the Sisterhood of the North Shore Congregation Israel. You can come and take your choice of new clothes for old—new ideas for old—new songs for old, as shown in the delightful playlet written for the occasion by Mrs. Walter Hart of Winnetka. In the play are appearing an imposing list of North Shore mothers and their daughters.

This, the third annual party of its kind, is going to be the best one yet, and will fittingly climax this happy holiday season. Originally the party was arranged to satisfy the requests of countless young daughters who wanted a day specially set apart for them to join with their mothers in fun and good fellowship.

Directing the "March of Time" which is the play's title is Mrs. Louis Sigel of Winnetka. Mrs. Sigel began a successful acting career as a tiny tot at Hull House in Chicago, and she has been acting ever since. More recently she has been directing plays for children and adults all over the North Shore, and was outstanding in her work at the Community House in Winnetka. Her name stands for appealing, smooth-running entertainment at the Glencoe temple where she has just finished directing a three-act play for the Jewish Ghanukah festival.

To give musical-comedy flavor to the play Mrs. H. J. Hirsch of Highland Park was chosen to do the music; and to costume it fittingly is the job of Mrs. L. L. Kahn and Mrs. B. L. Steif both of Glencoe.

Scenes are being painted by three up-and-coming artists—Mrs. A. O. Stekoll and Mrs. J. H. Solomon of Glencoe, and Mrs. E. J. Rusnak of Evanston. Mrs. Harry Golden of Glencoe is in charge of publicity.

Inspiring the whole party and guiding it with her usual intelligence and tact is Mrs. Milton Grauer of Glencoe, the Sisterhood's beloved president, and assisting her are Mrs. B. K. Goodman of Highland Park who is program chairman, and Mrs. Herbert Goldberg of Winnetka who is chairman of this event.

The cast of the play has Sisterhood members.

"Pinocchio" To Be Shown At Alcyon 2 Days Next Week

Cecil B. DeMille's latest screen masterpiece is "North West Mounted Police," showing at the Alcyon tonight and Friday and Saturday. Gary Cooper, Madeleine Carroll, Paulette Goddard, Preston Foster and many other star names too numerous to mention portray a brilliant story of two loves in a lawless wild, and a rebellion in the wilderness which almost changed the course of history.

Fiction's most fascinating rogue returns to the Alcyon screen in his latest "The Lone Wolf Keeps a Date," a sparkling melodrama. Warren William who has played the title role in the past, succeeds in making the screen's suavest scamp come to life more skilfully than ever, finding adventure along the Florida shore. On the same evenings the drama of life on the wrong side of New York is tellingly depicted in "East of the River," starring John Garfield, Brenda Marshall and Marjorie Rambeau.

On next week, Wednesday and Thursday, the Alcyon will present Walt Disney's latest full-length feature "Pinocchio" in magnificent Technicolor. Here is 90 minutes of an unique screen experience which no movie-goer can afford to miss if he is looking for one of the most enjoyable times he has ever spent in a motion picture theatre. Included on the program is a delightful laugh-provoking film "Bachelor Mother" starring Ginger Rogers and David Niven. The picture is filled with comedy, romance and some very pleasant music and witty dialogue.

If it be possible, as much as lieth in you, live peaceably with all men.—Romans 12:18.

Iredale Firm Will Assume New Name

George B. Anderson president of Iredale Fireproof Warehouses, 1721-27 Benson avenue, Evanston, has announced that the name of the firm will be changed to "Iredale Storage and Moving company," effective January 1. The business was founded by George Iredale in 1879 and was incorporated in 1913.

"We believe this name more fully describes the various activities of this corporation," Mr. Anderson said. The firm has three warehouses in Winnetka, Highland Park and Evanston. The officers and personnel of the corporation will not be changed, he said. Other officers are P. H. Prior, vice president; R. H. Iredale, secretary; and Sidney Avery Jr., assistant secretary.

A furniture department has been established at the Evanston warehouse which features reasonably priced nationally known makes of furniture. An important service to the firm's north shore clientele is the furnishing of chairs, tables, and other equipment for banquets, weddings and public meetings. The firm is a member agent of the Allied Van lines, recognized as the world's largest long distance moving company.

Press Advertising Is Profitable Advertising

That advertisements placed in THE HIGHLAND PARK PRESS do bring results is evidenced in the following unsolicited statement from a recent advertiser.

"It might interest you to know that we placed an ad in your paper recently offering a lot on Broadview Ave., for sale, and sold it from the first ad which appeared to a local Highland Park resident."

This advertiser was so satisfied with the result of this ad that he has placed another advertisement in this week's issue of THE PRESS.
