

GOLF PROFESSIONAL DICK METZ

Dick Metz, one of the outstanding professionals of golf, is the author of a new educational book, entitled "The Secret of Par Golf" which offers a simple solution to many of the most difficult problems of the game of golf.

With 308 action pictures he presents methods which he has used in his own play, which have been tested by his many successful pupils.

In illustration and description he gives a complete account of the game through its various stages.

Especially attention has been given to women golfers in this new publication, emphasizing the fundamentals which will help them to become better players.

Each page contains action pictures which are an important feature of the book. They were taken by a recently developed high speed motion picture camera, and were taken from directly overhead, making them particularly informative and unusual.

Mr. Metz is well known among local golfers. He was a resident of Highland Park for a short period.

a birthday party at the Veterans hospital at North Chicago, Friday, January 10 at 2 o'clock.

A large birthday cake and individual cup-cakes, and cigarettes are furnished by the units and the ice cream is furnished by the government.

The veterans whose birthdays are in the month of January will be guests and the afternoon will be spent in playing cards.

Legionnaires or any guests are invited to attend.

Chief of Police Rex Andrews gave a very interesting talk at the meeting of the Auxiliary of Dumaresq Spencer post, January 2. Mr. Edwin Gilroy entertained them with his electric guitar.

Guests at the meeting were Mrs. Rex R. Andrews, Mrs. Noel White, district director, Mrs. Sorentino and Mrs. Bletson, the latter three were from Fox Lake.

The Juniors recently visited the North Chicago hospital, taking cigarettes to the patients.
