CHRISTIAN SCIENCE CHURCHES

"Life" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 19.

The Golden Text was, "I will give unto him that is athirst of the fountain of the water of life freely. He that overcometh shall inherit all things; and I will be his God, and he shall be my son" (Revelation 21:6, 7).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "God that made the world and all things therein, seeing that he is Lord of heaven and earth, dwelleth not in temples made with hands; Neither is worshipped with men's hands, as though he needed any thing, seeing he giveth to all life, and breath, and all things" (Acts 17:24, 25).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Life is Mind, the creator reflected in His creations. The Scriptures imply that God is All-in-all. From this it follows that nothing possesses reality nor existence except the divine Mind and His ideas. The Scriptures also declare that God is Spirit. Therefore in Spirit all is harmony, and there can be no discord; all is Life, and there is no death" (p. 331).
