**Play Badminton Now At Ravinia School**

Fortunate indeed are all badminton players who live in school District 108, in having placed at their disposal by this community the three grand courts at the Ravinia school which enable them to indulge in their favorite sport twice a week at a most reasonable fee.

This club is a member of the North Shore Badminton Association, which in turn is a member of the National organization. Therefore, membership in the Ravinia Badminton club gives members the privilege to compete in the various tournaments, from novice to championship, held by these organizations.

If interested join without delay and enjoy the spirit of contest among these players which assumes the proportions of a "Round Robin Tournament," lasting throughout the season.

For details regarding this group, please phone Betty Johnson, H.P. 3660, Sue Gutman, P. 4315, or Martha Bryant, H.P. 1712, or just drop in any Wednesday evening or Sunday morning at Ravinia school.

**Dies Suddenly On Trip To Florida**

George Augustine, 366 North avenue, died suddenly yesterday (Wednesday) morning in a hotel in Washington, D. C., while enroute on a vacation trip to Florida. Mr. Augustne had left last Thursday for the south.

Funeral services will be held Saturday afternoon at 2 o'clock from Kelley's chapel. Burial will be in Memorial Park cemetery.

Surviving are his mother, Mrs. Anna Augustine, with whom he made his home, a sister, Mrs. Hazel Cawley of this city, and a brother, Emil.

**Review Talk On "American's Choice" At Meeting Feb. 4th**

"America's Choice," the recent book by Henry G. Wallace, evoked such animated interest at the last session of the North Shore International Relations class, conducted by Mrs. David H. Cahn, Glencoe, under the auspices of the National Council of Jewish Women, that Mrs. Millard Eiseman will recapitulate the material presented for continued discussion at the next meeting, Tuesday, February 4, 10 a.m., at the Temple. Because of his inauguration as vice-president since the publication of his book, its intrinsic

merit takes on the dignity of a state document and lends heightened interest to its discussion.

Mrs. Robert S. Landauer will at the same session present her views in opposition to the Lend-Lease Bill—H.R. 1776—by reason of her prerogative as a citizen of a democracy with a sincere conviction, notwithstanding its riding against the majority trend according to the Gallup poll.

The community as well as members of the Council and the class are cordially invited to take part in the enthusiastic discussion which will likely ensue.

A religious quiz will be sponsored by the Bellarmine club of the St. James Catholic church on February 4 at 8 p.m. at the St. James hall. All members will participate in submitting questions and answers.

**Try these with Wilson's Certified Pure Pork Sausage Links**

Prepare potatoes for scalloping. Prick sausages and lay on top. Cover and bake till potatoes are tender. Remove cover to brown sausages.

Make a delicious meal-in-one platter by broiling together sweet potatoes (boiled, skinned and halved), pineapple slices and Wilson's Certified Pure Pork Sausage.

**HUNCH FOR LUNCH**

When you've been up to your ears all morning with housework and suddenly you hear the children clattering up the steps, remember the can of Wilson's Certified Chili Con Carne on the pantry shelf. It takes just a minute to heat, and if you get the kind with beans, you have a complete meal for them and for you.

dowagers outstared each other as they consumed a special ham for which Rector's were famous. Today, believe it or not, a child of ten can prepare a ham more tender and of far better flavor. All said child has to do is to heat a **WILSON'S TENDER MADE HAM**, in a moderate oven (350° F.) five minutes per pound. The succulent, melt-in-your-mouth result is all due to the Wilson's secret process.

**NEW "HAM AND SWEETS" RECIPE**

Boil and mash 5 medium sized sweet potatoes. Add salt, butter, milk, and 2 tablespoons of orange juice.

Cover a slice of Wilson's Tender Made Ham with this sweet potato mixture, and top with another slice of ham. Dot with Clear Brook Butter. Heat in 325° F. oven until the ham is a delicate brown.

Remember, only Wilson & Co. makes **TENDER MADE HAM**, "the ham you cut with a fork."

**MOR**, of course, is that delicious, new, spiced, cured, pork shoulder meat made by the makers of Tender Made Ham. It's perfect for sandwiches, cold cuts, quick bakes, or to fry with eggs.

For smiles at breakfast, try serving him the new Wilson's Certified Family Style Sliced Bacon, in the handy 2-pound package. It's cut from lean young porkers, given that rich smoke cure, then sliced to he-man thickness and packed, upright, back on the rind. The result is a "stay-fresh," sliced bacon.

Good to keep on hand for breakfast, lunch or dinner.

I will be with you again (as they say on the radio) at the same time, same place, next week. G. R.
