CHRISTIAN SCIENCE CHURCHES

"Spirit" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 9.

The Golden Text was, "If we live in the Spirit, let us also walk in the Spirit" (Galatians 5:25).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "God is a Spirit: and they that worship him must worship him in spirit and in truth" (John 4:24).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spirit being God, there is but one Spirit, for there can be but one infinite and therefore one God. There are neither spirits many nor gods many. There is no evil in Spirit, because God is Spirit. The theory, that Spirit is distinct from matter but must pass through it, or into it, to be individualized, would reduce God to dependency on matter, and establish a basis for pantheism. Spirit, God, has created all in and of Himself" (p. 335).
