TODAY'S TIP TO BRIDES:

Let the telephone help make housekeeping easier.

• *Here's how!* . . . After breakfast, telephone your orders for groceries and other supplies — then call the laundry or tailor or hair-dresser or any other needed service.

Next, use the telephone to reach the store or shop where you've seen a "good buy" advertised. You save time by letting your telephone run errands — and have more leisure for other interests.

And don't forget your hus- band — your girl friends — the neighbors. There's a cheery word waiting on your telephone line, whenever you're lonesome. Help in a hurry can be had too.

MORAL: Don't be a *wife-without-a-telephone*. . . . The telephone is an active aid, a willing servant, a friend in need. It costs so little and helps so much! . . . Illinois Bell Telephone Company.

Tune in "THE TELEPHONE HOUR" every Monday, 7 P. M., WMAQ

WE'RE NEVER "Too Busy"

AT THE FIRST NATIONAL

In the First National Bank we do not mind "being bothered" with questions — because we are *not* bothered. Even minor problems of our customers, or transactions involving small amounts command our utmost cooperation.

Whenever we can put in a little more time, or give a bit of added attention for "good measure" we are glad to do it. Our friends have come to expect this as a matter of course.
