

### Milwaukee Railroad Has Two Iron Lungs Available For Use

To aid in combating the infantile paralysis menace, employes of the Milwaukee road, through their Women's club and their Veteran Employees association, have purchased two mechanical respirators commonly known as "iron lungs."

They are available for the free use of any resident of the communities in which the road operates, including Deerfield.

Equipped with the most modern devices the "lungs" were presented in Chicago yesterday to H. A. Scandrett, chief executive of the Milwaukee road, by Isabelle C. Kendall, president of the Women's club, and J. T. Gillick, president of the Veteran Employees association.

Headquarters for the respirators will be maintained in Chicago and in Deer Lodge (Mont.) from which towns they will be shipped where needed upon the application of any doctor to the railroad's local physician.

The road operates 11,000 miles of railroad in 12 states between Chicago and Seattle-Tacoma (Wash.).

The Veterans association is composed of employes who have been in the service for 25 years. It has more than 9,000 members. The Milwaukee Road Women's club has 60 chapters with a membership of 16,650.

### Cooking School To Be Held At Y.W.C.A.

A cooking school is being planned by the Mothers club of the YWCA to be held on the afternoon and evening of Tuesday, March 4. Miss Shields and Mrs. Taylor of the North Shore Gas company will conduct the school, which will be held at the Y.W.C.A.

### Building and Loan Elects New Officers

At the meeting of the board of directors of the Highland Park Building Loan and Homestead Association held after the fifty-second annual meeting of stockholders of the Association, the directors elected officers for the ensuing year. The officers elected are as follows:

President, George Greene; vice president, Lyle Gourley; treasurer, Edward C. Ohrmund; secretary, Walter E. Meierhoff; attorney, Bowen E. Schumacher.

The Association, which during the fiscal year of 1940 became a member of the Federal Home Loan Bank System and obtained the benefits of the Federal Savings and Loan Insurance insuring accounts up to \$5,000, looks forward to the year 1941 with confidence that it will bring new opportunities to the Association for expansion and for service to the community.

The new president of the Association, Mr. George Greene, pointed

out that the association affords not only a supply of credit to prospective borrowers on real estate in and near Highland Park but also affords a splendid means of saving to those who wish to make savings by regular monthly payments or to deposit a lump sum in paid-up shares of the Association, upon which dividends are declared periodically.

### Camera Club Holds First Print Contest

Next Wednesday, Feb. 26th at the Community Center, the Highland Park Camera club will hold its first print contest; the subject assigned being "Winter" one of the club's own members, Stephen Heiser, a well known photographer will act as judge. Julien Jordan, chairman of the Print committee and in charge of the arrangements for the contest, says there will be a goodly number of prints entered and he expects to have a nice selection for a public exhibit in the near future.

### Mason Smith Will Address Kiwanians

On Monday evening, February 24, the Highland Park-Ravinia Kiwanis club will hold its regular weekly meeting at the Sunset Valley Golf club at 6:30 p.m. This is to be a guest night, each member of the club bringing a guest with him.

The speaker of the evening will be Mason Smith, a resident of Ravinia. Mr. Smith is a member of the firm of McKinsey, Kearney and Company whose business is industrial engineering. Previous to becoming a partner in this firm, Mr. Smith was director of personnel at Marshall Field & Co. His topic will be "The World as It Is Today."
