THE country that Wash-  
ington fathered is preparing today to  
defend itself, its democratic ideals, and  
its institutions, against aggressive  
enemies.

Let us be ashamed to weaken or to  
complain if a few difficulties come our  
way. Our troubles will be small com-  
pared with those endured by Washington  
and his tattered army at Valley Forge.

### Wash Rugs:-

We use zero-soft water — plenty of it with mild soap—we get the rugs thoroughly clean.

Colors are refreshingly bright—no trace of soap is left in to pick up dirt or turn rancid.

Wash rugs have no harshness of texture when laundered by us — we have the equipment to dry rugs at the correct temperature.

Pile stands up naturally because rugs are fluffed constantly while drying.

### Dry Cleaning:-

Wool particularly attracts dust and soil which coat the fibres and dull the natural lustre. A good dry cleaning restores the natural attractiveness.

We preserve the shape and fit by careful measurements before and after cleaning.

Our finishers watch style features—they use special equipment—your garments come back to you perfect in every detail.
