

Former Pastor Of Highwood Church Is Created Bishop

The Most Rev. Francis Joseph Magner was created Catholic Bishop of Marquette, Mich., by Archbishop Samuel A. Stritch in Holy Name Cathedral Tuesday. The 53 year old prelate, a native of Illinois, served as pastor of St. James church, Highwood, for several years. Recently he was pastor of St. Mary's church, Evanston.

Sixty-four abbots, bishops, and archbishops attended or participated in the ceremonies. The Rev. James Magner of the Catholic University of America, Washington, D. C., founder of the Charles Carroll forum and a brother of the new bishop, was deacon of the mass. The Rev. James P. Kiely of St. Timothy's church, a cousin, was subdeacon, and the Rev. Joseph Kiely, another cousin, was an assisting deacon. Sister Mary Josepha, R.S.M., a sister of Bishop Magner, attended the rites.

Co-consecrators with Archbishop Stritch were the Most Rev. William D. O'Brien, head of the Catholic Church Extension society and auxiliary bishop of Chicago, and Bishop Eugene J. McGuinness of Raleigh, N. C. The climax of the ceremony came when they laid hands on Bishop Magner's head and intoned the words: "Receive the Holy Ghost."

The consecration sermon by Bishop Francis C. Kelley of Oklahoma City, Okla., former pastor of the new bishop at St. Francis church, Wilmette, emphasized the role of the apostolate in the present world.

Gunter Schwandt And T. Hamilton On "Highlander" Staff

Gunter Schwandt and Traver R. Hamilton have been added to the executive staff of the Sea Scout ship, "Highlander" in capacity of mates, according to a recent statement issued by Skipper Dr. Baker M. Hamilton. The appointments were ratified at the last meeting of the Ship committee, to become effective March 3.

Gunter Schwandt, a draftsman of the Mignet Aircraft Corporation, has had four years of Sea Scouting experience and is attached to Scout Troop 324 in capacity of assistant scoutmaster.

Traver Hamilton, a student at Loyola College of Dental Surgery, has been an employe of the Pillenger Boat company at Muskegon, Mich., for the past two summers. He has received two years of naval training at Northwestern university, has had eight years of Scouting experience and for the past three years has been assistant Scoutmaster at Troop 324. These new officers will join the present staff at the first meeting of the reorganized unit next Monday evening at 7:30 in the North Shore Yacht club.

Spring activities for the Sea Scouts will be planned tonight (Thursday) at 8:00 p.m. at a joint meeting of the Ship committee and the executive staff in the "Highlander's" office, suite 305, 2 N. Sheridan road.

Thursday, March 6—4 p.m., Junior Chess club; 7 p.m., Craft Guild; 7 p.m., Chess club.

Month of January Busy One at the Community Center

Activities of the Community Center during the month of January included such a wide variety as to affect a large number of people of all ages.

Musical organizations, the orchestra and Choral club, had several meetings each. The Craft Guild group kept the shop busy two nights a week, and the junior craft club met weekly.

Daily use of the game room for grade school, high school and adults was a useful part of the Center's work during this shut-in month. In addition were such regular club meetings as the Chess club and Junior Chess club weekly, the Table Tennis club, Airplane club, North Shore Stamp society, Junior Stamp club, Highland Park Camera club, Highland Park Young Men's club, Badminton (at Lincoln school), boy and girl Scout meetings, Red Cross First Aid, and a number of miscellaneous group meetings.

Total sessions for the month were 194, including a total of 2985 present at these sessions.

In short, the month's report shows what has been becoming increasingly evident, that the Center is constantly coming into a fuller use of its possibilities in filling community recreational needs.

High School Age Boys Organize Airplane Club

There will be an organization meeting of the Hiland Airplane club at 7:30 on Friday, Feb. 28, for the purpose of working out our spring and summer plans for model airplane builders.

Why success or failure may depend on your master eye. Scientists have found that if you're right-eyed and left-handed or vice versa, you're likely to have more trouble than people whose eyes and hands co-operate, but don't let it discourage you as pointed out in the illustrated feature in The American Weekly, the magazine distributed with next week's Sunday Chicago Herald-American.

Dr. James Thomas Next Speaker On Town Hall Series

Dr. James Shelby Thomas, economist and educator, who returned recently from an extensive survey tour of economic, political and social conditions in South America, will be next speaker in the Evanston Town Hall's public lecture series Wednesday night, March 5, at 8:15 at 1702 Chicago avenue, Evanston.

Speaking on the subject, "The United American Front," he will present his views on what needs to be done in the Americas to present a united front against dictatorships. Tickets are being handled by Mrs. Wesley W. Polk, 715 Forest Ave., Evanston, director of the Town Hall.

During his recent trip Dr. Thomas covered more than 11,000 miles while interviewing and conferring with literally hundreds of business men, government officials, teachers and officers of organizations interested in promoting friendship and trade relations between Latin America and the United States. As a former president of Chrysler Institute of Engineering, he possessed contacts with Chrysler managers throughout Latin America which gave him unique opportunity to study conditions and to investigate the economic infiltration of axis powers.

Dr. Thomas for years has been prominent as an educator and his-

torian. For nearly two decades he was associated with the University of Alabama as a professor and administrative officer, and in 1933 became president of Clarkson College of Technology in New York. He is the author of "This Thing Called Democracy" and other books.

The Town Hall will conclude its year-long series of programs on international and national affairs with a typical Town Hall meeting March 26 conducted by George V. Denny Jr., director of the Town Meeting of the Air heard by radio millions every week.

Edward Carter's Father Passes On In Florida Feb. 22

Funeral services were held on Saturday in Chicago for Clarence Edward Carter with Rev. F. G. Piepenbrok of St. Paul's church, Deerfield, officiating. Interment was at Acacia cemetery. Mr. Carter was born May 24, 1888 in New York City, a son of Samuel and Rebecca Carter. He was married June 11, 1910 to Elizabeth Glutz. He was in the restaurant business at Grand and Western avenues in Chicago. His death occurred February 18, at Lake Worth, Fla., where he had gone for a rest a month previous. Surviving are his wife; two sons, Edward of Northbrook and Herbert of Chicago; one grandchild; three sisters, Alice Stephensen, Florence Thomas and Grace Meles. His son, Edward, is president of the Deerfield-Northbrook Rotary club.
