First Graders In Deerfield School To Sponsor Movie

The first grade is sponsoring a movie to be held at the Deerfield Grammar school Friday, March 14, at 3 and again at 8 in the Grammar school auditorium. The motion picture will be the sound film "100 Men and a Girl" with Deanna Durbin and Leopold Stokowski.

The program has two purposes. First of that of raising funds for the first grade project and secondly that of experimenting with the possibility of community pictures in Deerfield.

Mrs. James Curtis, room mother of the first grade, is in charge of the project. Posters are being placed in the village and tickets will go on sale this week.

"Kitchen Mechanic" Once Humorous Term Now Applies To Unit

Many familiar words and phrases acquire new and different meanings or are changed entirely as civilization speeds onward. "Kitchen mechanic"—once a term of derisive humor applied to the culinary maid of all work—now is changed to mechanical appliance, a cooking unit which does a large part of the labor attendant upon the preparation of meals.

Today the homemaker is relieved of enacting the role of drudge in the home scene titled "Drudgery." A Certified Performance gas range demands little more effort on her part than the twist of a wrist to perform cooking marvels, according to Mr. T. P. Clark of the North Shore Gas Company.

"When a Certified Performance gas range is installed in the kitchen, cooking becomes easy," said Mr. Clark. "The turn of a valve starts instant action for top burner cooking at any desired temperature; the turn of a knob on the oven heat control dial in any wanted baking temperature, with the shortest known preheating period; the turn of a knob starts the broiler into immediate action. It's as simple as opening the kitchen door.

Deerfield Youngsters To See Jr. Programs Performance Feb. 28

The second performance entitled "Run Peddler Run" is being given this Friday, February 28, at 4 p.m. at the Highland Park High school auditorium. Many children in our districts hold season tickets. However, individual tickets may be purchased for the performance. If there is enough demand a special bus will be run from Deerfield school to the performance on Friday afternoon.

LOST

17 LBS. IN 6 WEEKS

"I was so thrilled today, when buying a dress to find that after 12 years of size 42's, I could get into a 38 with room to spare. My record is a 17-pound loss since starting AYDS 6 weeks ago. I am still losing, feel better, more alive mentally and physically all the time."

—Mrs. H. A., Chicago.
