

Will Tell Of Needs Of Enlisted Men At Coordinating Council

Lt. Colonel Fred During of Fort Sheridan and Commander Roger E. Nelson of Great Lakes Naval Training Station will be the speakers at the joint meeting of the Highland Park Coordinating Council and the Glencoe Community Council to be held Tuesday evening, March 18, at the Central school in Glencoe.

While the meeting was called to review mutual community problems and ways to meet them, delegates from both towns are looking forward to the discussion of which Col. During and Commander Nelson will reiterate on the needs of enlisted men and how neighboring communities may be of practical help.

Highland Park's council, although only six months old, will report on its three projects, the community calendar, the community Christmas tree and the recreational survey recently completed by a special committee which included Mrs. Carol Binder, chairman, Mrs. David Levinson, Mrs. Everett Fontaine, Mr. Edward Burwell, Mrs. Leonard Rieser, Miss Claire Beneke, and Mrs. Harry Pier.

Mrs. John Oliver was elected spring chairman of the Executive Board of the Co-ordinating council last week. The resignation of Judge Henry Hansen was regretfully accepted.

Parsons Agency Wins Award and Pays For Million In February

The Agency Department of the Mutual Benefit Life Insurance Company of Newark, N. J., announced that their Group Award for 1940 was won by the Bruce Parsons Agency for doing the best composite job of its large agencies, Mr. Parsons stated upon his return from Florida this week.

This award is given annually to the agency doing the best all around job in their respective group. The Parsons agency led the company for last year, in volume of business paid for, but the award is measured, not by volume, but by fifteen points, among which are the following: quality of business, persistency of old and new business, earnings of experienced agents and those of new men in their first and second years, also on the basis of recruiting of new men, the results being to minimize volume of business paid for.

Mr. Parsons said the agency is still going strong, having paid for over a million of insurance exclusive of annuities, for the month of February, giving them first place in the company in both volume and lives paid for. Leaders for the month were Robert S. Hubbard and Herman N. Bundesen, Jr.
