"Kitty Foyle" At Deerpath Theatre

The adventures of a popular novelist whose women fans fling themselves at him without regard for the consequences, are portrayed in "Honeymoon for Three," a Warner Brothers picture being presented at the Deerpath theatre Friday and Saturday, March 14 and 15, and starring Ann Sheridan and George Brent—the latter the writer, the former his secretary.

With Sabu, Conrad Veidt, June Duprez and John Justin heading a cast of thousands, Alexander Korda's mighty technicolor spectacle, "Thief of Bagdad," will be presented at the Deerpath theatre Sunday, March 16, 17, and 18. This picture, which was nearly two years in the making, was photographed entirely in natural color and represents an outlay of more than \$2,000,000.

"Kitty Foyle," Christopher Morley's story of the White Collar Girl, is portrayed by Ginger Rogers in the role that won her the Academy Award. The cast also includes Dennis Morgan, James Craig, Eduardo Ciannelli, Ernest Cossart. Playing at the Deerpath theatre Wednesday, Thursday, Friday and Saturday, March 19, 20, 21 and 22.
