

**Town Hall Meeting  
To Conclude Sunday  
Evening Club Series**

On next Sunday evening, March 23rd, the concluding program of the 27th year of the North Shore Sunday Evening club will be put on at the New Trier High school gymnasium, in the form of a Town Hall meeting, the subject of which will

be "What Is America's Stake in World War No. 2?"

George V. Denny Jr. director of the Town Meeting of the Air, New York, will preside. Dr. Norman Thomas, a director of Town Hall, New York, and one of America's most brilliant orators, will be one of the speakers. The other speaker will be Clifton M. Utley, director of Chicago Council on Foreign Relations.

This is one of the biggest pro-

grams the North Shore Sunday Evening club has ever put on in its history.

Dr. Norman Thomas is also a director of the League for Industrial Democracy and contributing editor of The Nation, The World Tomorrow and New Leader. He was the candidate for the Socialist party for the Presidency of the United States in 1928 and in 1932.

Mr. Utley has travelled extensively in Europe. In 1936 he drove over

8,000 miles studying foreign affairs in France, Switzerland, Austria, Yugoslavia, Bulgaria, Rumania, Hungary, Germany, Belgium and England.

PERHAPS YOU'VE SEEN the new Pontiac "Torpedo" described as "the Fine Car with the Low Price" and wondered a little bit about that statement. You can accept the "fine car" part without any doubt, we believe—especially if you've examined a new Pontiac. That "low price" part may stop you, however. Can the new Pontiac—one of the smartest-looking, easiest-riding cars on the road today—

actually be low-priced? Well, here are the facts: Pontiac prices begin at \$828\*. A new 1941 Pontiac "Torpedo" will cost you so little more than the "lowest-priced three" that the difference will amount to only a very few dollars per month. What's more, Pontiac's economy of operation and upkeep permits you to drive for practically the same money that a lesser car requires. Yes, the new Pontiac, with its Body by Fisher,

has earned the title, "the Fine Car with the Low Price." Try a new Pontiac before you put your money in something less desirable.
