State Chairman of National Defense To Be Guest of D.A.R.

The North Shore Chapter of the Daughters of the American Revolution will hold its April meeting at the home of Mrs. Earl Gsell, 421 Sheridan Road on Thursday, April 10th at 2:00 p.m.

The guest for the afternoon will be Mrs. Ray E. Thomas, state chairman National Defense. Mrs. Thomas is also Chaplain elect of the state society.

Mrs. Thomas' home is in Waukegan, Ill. and her presence at this meeting should be greatly appreciated by every member. Mrs. Thomas is a very intellectual person. She asks all D. A. R. members to be more articulate, for as D. A. R. members we have the background, knowledge and confidence of our fellow citizens. We should use every opportunity to tell the facts and make friends for our National Defense Program through Patriotic Education.

Mrs. Edwin Wood of Deerfield will be a delegate to the conference in Washington on April 15th and Mrs. George Rogers will go as Regent.

Mrs. E. H. Ibbotson, Publicity Chairman.

Shopping With Virginia

AT LONG LAST! It's been found; it's been put on the market and it is available in one store in Highland Park. The new all purpose household cleaner. There isn't one thing in your home it won't make spic and span as if by magic from the ceilings to the floors and everything in between, your very best damask chair and those dirty venetian blind tapes included. With spring cleaning just around the corner take my tip and whiz through that trying period with Tru-Cleans help.

ARE YOU ONE OF THE LUCKY TEN? One of your favorite dress shops has ten Easter dress values—\$10.95 for \$7.95. And that's not all. I saw a rack of box and fitted types of reversible coats for \$12.95. What values. Get there early to look elegant for the Easter parade and save money.

DO YOU WISH YOU COULD WALK ON YOUR HANDS? Sometimes your feet hurt so much you wish you could. You should try a pair of Red Cross shoes. They're only \$6.50 and will make you feel like you're walking on air. They are sold by one of our Central Avenue stores.

DON'T THROW OUT THAT OLD CHAIR! Give it a brand new look—a slip cover, is the idea. You may pick out your material to harmonize with your color scheme and have it custom fitted in your own home for far less than it would take to buy a new one. The first eighteen people who come into your house will say "What a beautiful new chair."

A MOST IMPOSING ARRAY of brand new pottery, crystal, china and metal flower containers and bowls are offered in a lovely store here. Your Easter table will be the envy of every one with spring flowers arranged in them.

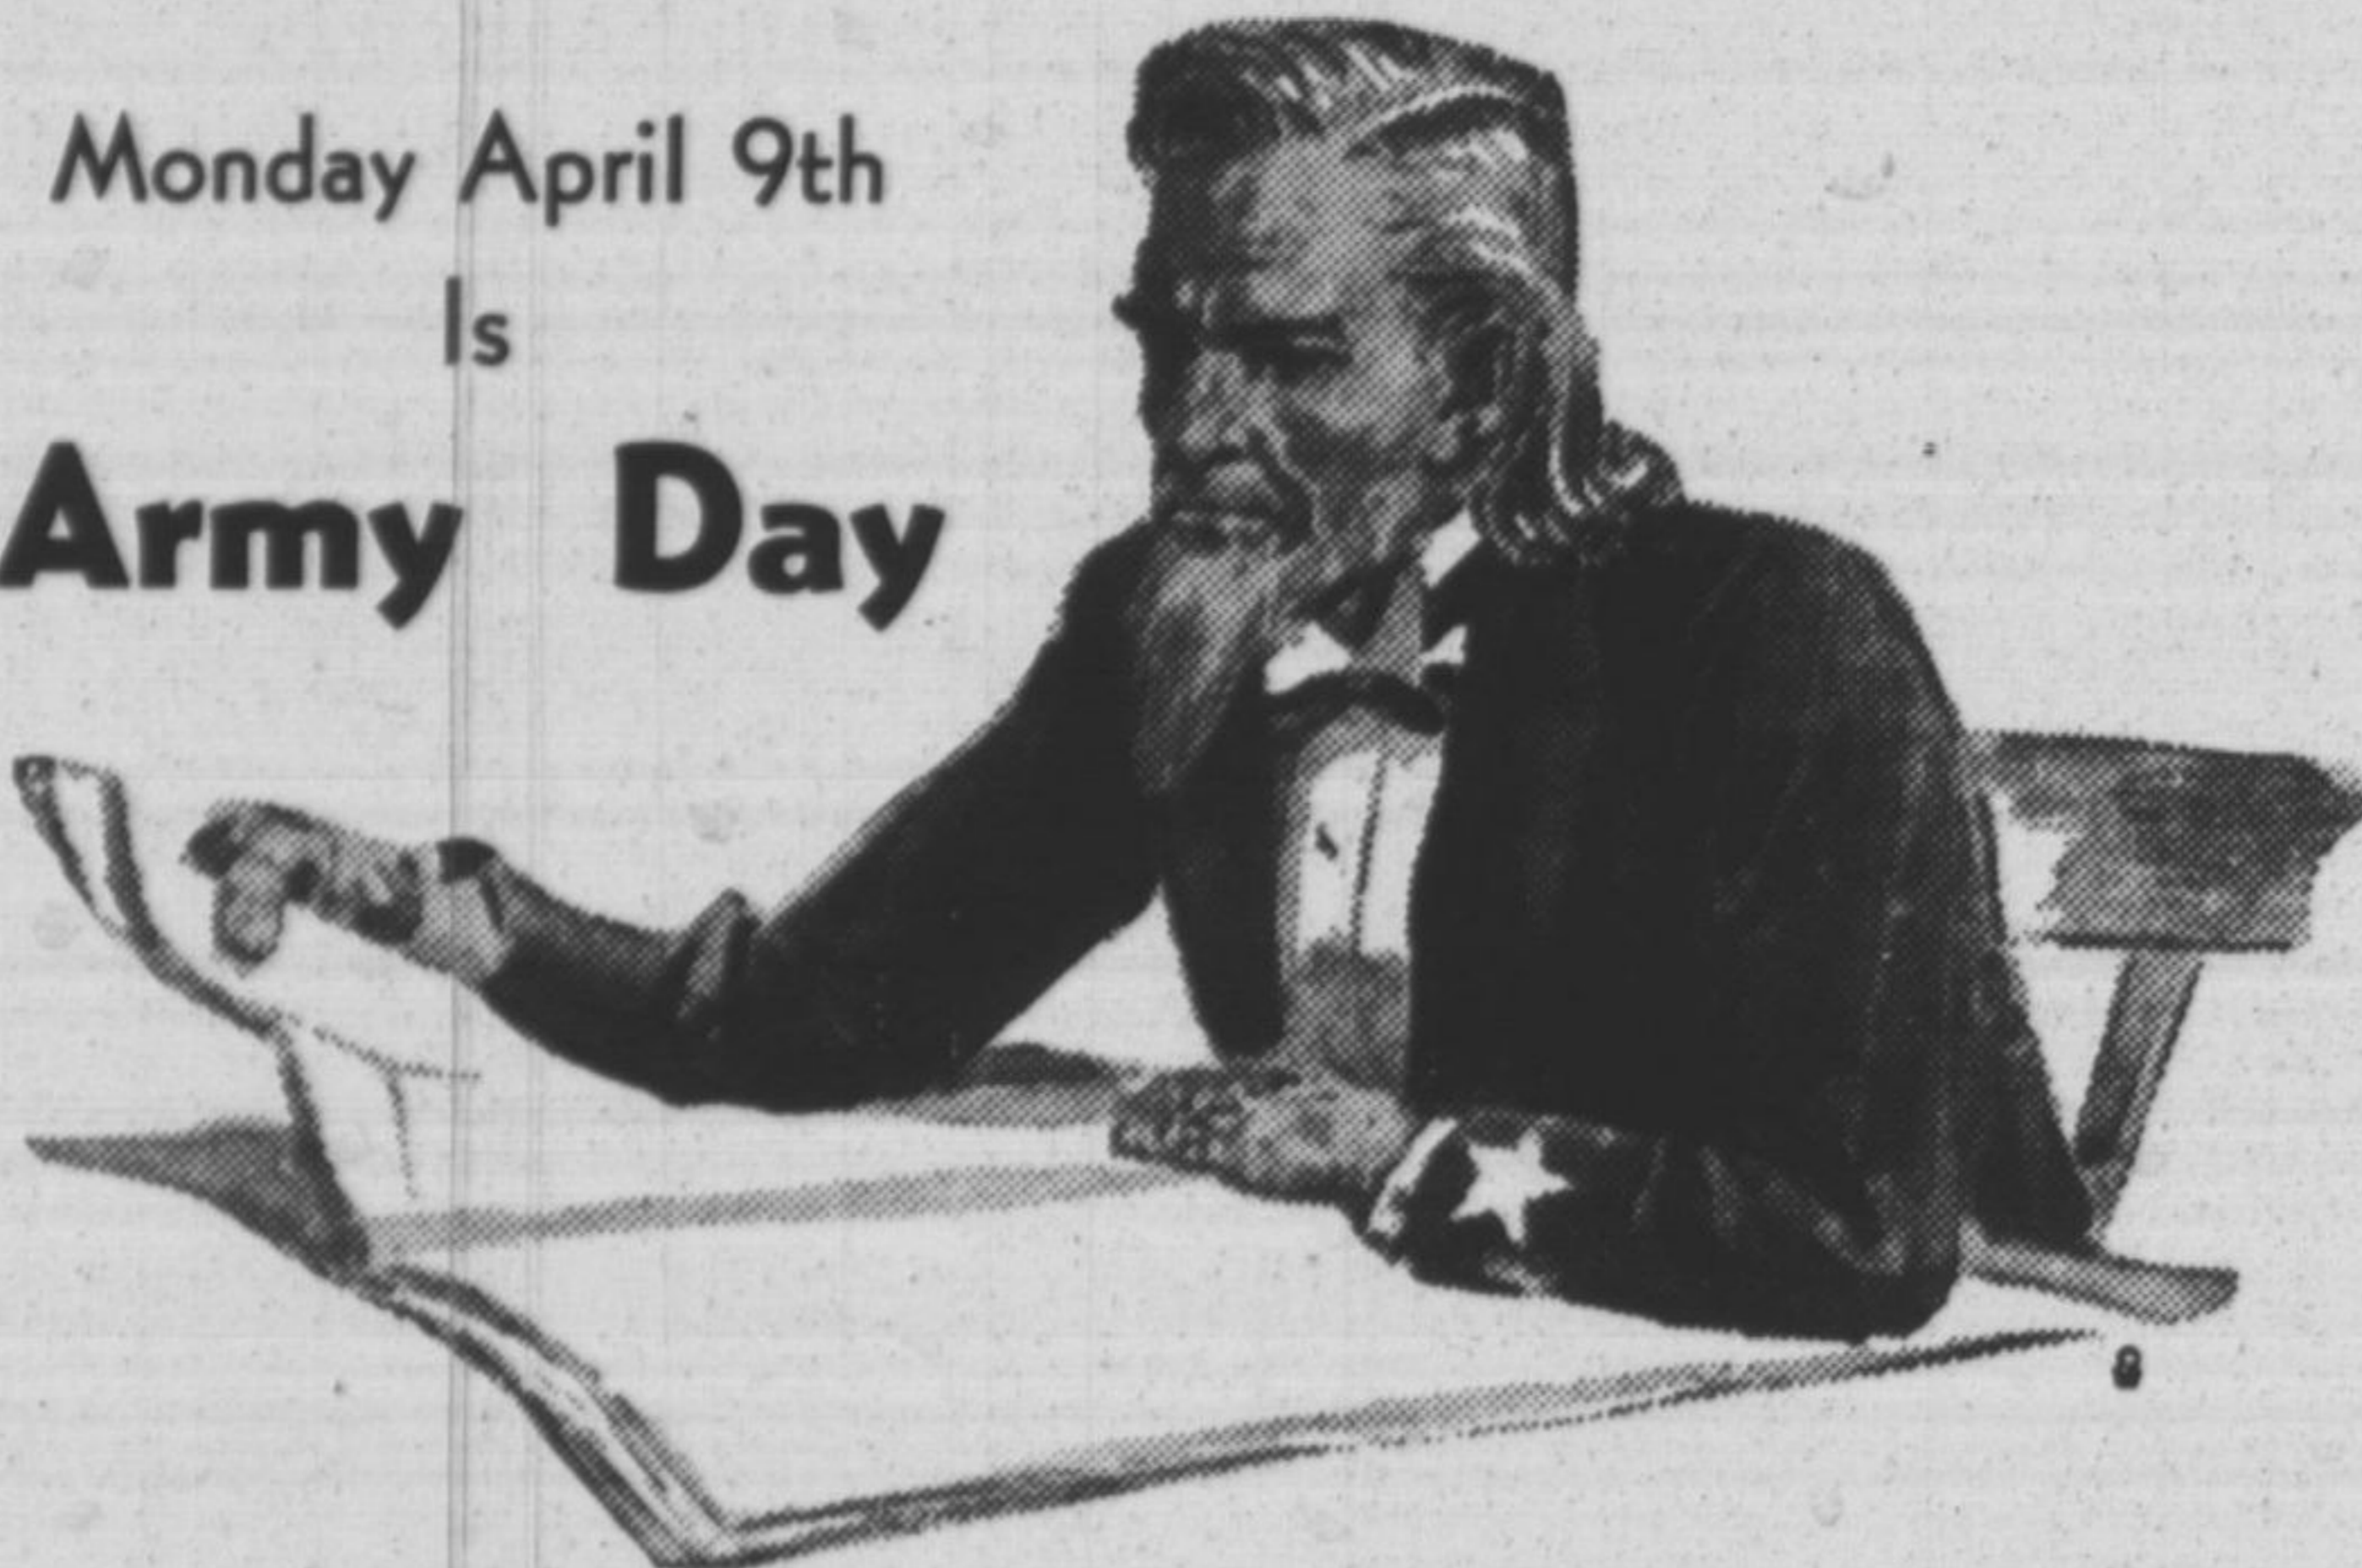

A BEAUTIFUL SKIN IS HER MOTTO! A beauty operator here in town specializes in removing blackheads, pimples and unsightly blemishes. She'll be glad to give you a personal analysis and a consultation will be worth your time—and it's free by appointment.

SPRING AGAIN AND MUD AGAIN! Mothers you can protect your overstuffed furniture where it gets the most wear and dirt with Topsy's. Have you heard of them? They are made of a crash material and fit easily over the backs, seats and arms. \$1.00 for the chair size and \$2.00 for the sofa size. Launder like handkies and whisk on and off like a breeze.

The Highland Park Press will be glad to tell you where you may purchase any of the above mentioned items. They are all in town here. Call 557.

Monday April 9th
Is
Army Day

On This Day, 24 years ago, the United States entered the World War. Thousands of American boys were killed, thousands wounded and billions of dollars were spent to "make the world safe for democracy." It is not a day for celebrating. It is a day for calm meditation . . . and a day to make the resolution that never again shall American lives be sacrificed in vain.
