

Officer H. Rogan Claims His Man

Karl Franks, a worker at Fort Sheridan has to pay \$6 to repair a highway marker, which he knocked down at Sheridan road and Dean avenue. Officer Harry Rogan, of the Highland Park Police saw the broken marker as he made his rounds at 5:30 Monday. He also found a tool box cover and a few scrapings of paint, which served as clues. Great Lakes Library Needs Current Fiction

The Great Lakes Hospital Library is badly in need of current fiction. With 7000 boys between the ages of 17 and 21 the library that they now have is not adequate to care for the reading needs of all these young sailors. Mrs. Jay Thompson, librarian, is collecting books and current reading matter, and will be very glad to receive anything that you may have on your book shelf that you have read and are willing to pass on. Books may be left in the garage at her home, 334 North Sheridan Road, which is near the Elm Place school.
