CHRISTIAN SCIENCE CHURCHES

"Everlasting Punishment" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 4.

The Golden Text was, "He that covereth his sins shall not prosper: but whose confesseth and forsaketh them shall have mercy" (Proverbs 28:13)

Among the citations which comprised the Lesson-Sermon in the following from the Bible: "My son, despise not the chastening of the Lord; neither be weary of his correction: For whom the Lord loveth he correcteth; even as a father the son in whom he delighteth" (Proverbs 3:11, 12).

The Lesson-Sermon also included the following passages from the Christian Science textbook "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "In trying to undo the errors of sense one must pay fully and fairly the utmost farthing, until all error is finally brought into subjection to Truth. The divine method of paying sin's wages involves unwinding one's snarls, and learning from experience how to divide between sense and Soul" (p. 240).
