With the addition of the new boxing and wrestling mat and the punching bag standard, the exercise room of the Community Center is now fully equipped for business.

Here is an opportunity for people who want to engage in health building exercise. It may be used for the purpose of workout, conditioning, muscle-building, or reducing, just the kind of thing business men and women find so valuable in athletic clubs in all cities today.

This athletic activity can be undertaken singly or by groups of two or three or more friends at such times as best suits their convenience.

Other features of the athletic unit are the squash court and handball court.

Membership to the athletic department will be limited, so interested people should join at once.

The Junior Airplane club, which meets regularly on Saturday mornings at the Community Center, is now completing solid models. Leadership of the group is provided by members of the Hiland Planesmen. There is still room in the club for a few more boys or girls. One of the instructors has volunteered to help boys and girls construct model trains and equipment as well as airplane models.

Spring being here, flying models outside will soon be the order of the day. Airplane enthusiasts who have planes at home they want to finish may bring them to the Center on Saturday mornings and complete their work.

The regular meeting of the Woman's Auxiliary of the Highland Park hospital will be held on Wednesday, April 9 at 10:00 a. m. at Trinity Church Parish House. Luncheon will be served.

The Mothers' Club of the YWCA will hold their regular monthly meeting Tuesday evening, April 8 at 8 o'clock, in the assembly hall at the Y. The feature of the evening will be a demonstration of canned fruit by Miss Lavina Merrick, club service bureau, Chicago branch, of the Kroeger grocery and baking company. Refreshments will be served.

### Philadelphia Story Screen Attraction At Alcyon Theatre

On Thursday, Friday and Saturday of this week the Alcyon will present the three Lane sisters, Priscilla, Rosemary and Lola with Gale Page and Jeffrey Lynn in another of the popular series "Four Mothers." On the same program you may see and hear Gene Autry, the singing cowboy in "Ridin' on a Rainbow." With him is his happy-go-lucky sidekick Smiley Burnette.

If you want to laugh long, loud and often, take a tip and don't fail to see Katharine Hepburn, Cary Grant, James Stewart and Ruth Hussey in "The Philadelphia Story," which the Alcyon will screen on Sunday, Monday and Tuesday. It is one of the year's outstanding successes.

From the magic haunts of Hollywood, "The Hunchback of Notre Dame" emerges upon the theatre-going world with a challenge to the bigness of all films that have gone before. Telling in vivid fashion the strange love affair that forms its theme, the film stars Charles Laughton, Thomas Mitchell and Maureen O'Hara. At the Alcyon on Wednesday and Thursday with "Meet Boston Blackie," which stars Chester Morris and Rochelle Hudson. With Coney Island's glittering thrills for a background the picture offers much in the way of a mystery.

### Fort Sheridan Holds Open House Army Day

April 7 is national Army Day. Elaborate preparations have been made at Fort Sheridan in observance of the day. Colonel Homer and his staff are working hard to make this one of the most successful army days ever attempted. The public is cordially invited to attend the all day demonstration, and it is expected that many folks from Chicago and the shore towns will attend. A number of distinguished military guests have been invited, and if time and conditions present, they will be present to review the troops.

All types of weapons, transportation methods, and tent displays, may be seen. The school, recruit reception center, and the battalion aid station may be inspected.

Coffee and doughnuts will be sold in the morning and afternoon.

The big parade of the day will be staged at seven o'clock, under search lights.

In case of rain or snow Colonel Homer and his men have planned an alternate program. In such case the program will begin at 9 a. m. at the parade ground in the rear of the 40th Brigade Headquarters.

Mrs. James O. Clarke, 2237 Lincolnwood drive and Mrs. Harry E. Scarbrough, 2239 Lincolnwood drive, have returned to their homes here after spending two weeks in Atlanta, Georgia.

Mr. and Mrs. Leonard J. Kugal, 410 Linden avenue are in California.
