"Land of Liberty" At Alcyon Theatre

Presenting a breathless and thrilling cavalcade of the historical beginning and growth of America, from the turbulent days of Valley Forge up to the present time, "Land of Liberty," which the Alcyon will screen on Friday and Saturday offers in one production as engrossing and compelling a series of episodes as is usually seen in fifty or more pictures. There are over one hundred outstanding screen stars in the production. The Bumsteads, those masters of mirth, are on the same program in "Blondie Goes Latin."

"This is the most exciting story I know," Mark Hellinger said of "High Sierra," screening at the Alcyon on Sunday, Monday and Tuesday. Starring the most sensational actress of the past year, Ida Lupino, and screendom's No. 1 gangster, Humphrey Bogart.

From its beginning in war-torn China to its dramatic conclusion high above the streets of Manhattan, "Ellery Queen's Penthouse Mystery" is packed with action, romance and laughter. Its stars are Ralph Bellamy, again seen as the famed sleuth of fiction, and lovely Margaret Lindsay. On the double-feature attraction at the Alcyon for Wednesday and Thursday. An exciting story, swift action, countless thrills, delightful music, and comedy combine to make "Thundering Frontier" one of the more enjoyable outdoor dramas of the year.

Mrs. Arthur L. Richtmyre, 2573 North Deere Park drive, entertained the North Shore Junior board of Northwestern settlement Tuesday afternoon. Plans were discussed for their early summer benefit.

Donations Asked for British War Aid Shop

A plea is being made by the British War Relief shop's Highland Park representative for donations. It has been announced that without more public interest and cooperation the shop would have to close.

With housecleaning coming on, the committee feels that housewives will find numerous articles of bric-a-brac, china, silver, books, old furniture and clothes that they will not be able to use. If it is impossible for the donors to bring their discarded things to the shop they are asked to call Mrs. George Childs, H. P. 677 or Miss Helen Bergstrom, H. P. 3147.

The shop has raised \$10,500 since October, for British Aid. This amount represents the purchase of 262 hospital beds or five mobile soup kitchens.
