HIGH SCHOOL NOTES

Hi Pals:

There's so many exciting things happening around school lately, that we've decided to bring you some of the choice bits each week.

First, we pay tribute to the outstanding talent in our school. Congratulations to Alice Dorick for pulling down second place in the preliminary state latin contest. Here's hoping you do even better in the finals, Alice.

Some of our more intelligent seniors are really walking on air these days—especially those who were selected to join the National Honor Society. They've worked hard and really deserve the credit. Some of them are Bev Date, Betty Blough, Jack Bracken, Joe Grinnell, Alice Hopkins, Alice Dorick and Stan Turner. Nice goin', kids.

Well, beautiful spring is here again, and with it that annual fever. Hang on students, don't let it throw you!

After considerable thought Al Richman has decided that to make the Survey edition of the Shoreline really unique this year, it should be printed on red paper. How radical!

Vacation is really super this year, isn't it? So many things to do and such little time to do them. After this long-awaited week, we should all be pepped up for the home stretch—it's only two month's until senior exams. Oh joy!

Now that "Stunts" is over for another year, rehearsals for the spring play are under way—even for the dog. Gloria Jensen's "Jolly" won the role. Is she a cutie!

Many college students have their vacation this week too. Isn't it queer how the graduates of H. P. H. S. usually come back to visit us? There must be **some** attraction—we wonder what it could be.

The Senior Sub-Debs must be slipping—they had only twelve of their twenty-nine members at the meeting Friday. Maybe that night offers competition. It is rumored that the gals are even selling coffee to raise funds for their mass debut.

Edith Norvik enjoyed her recent week-end in Springfield so much that she's decided to return real soon for another university dance.

W. H. Davis, president of the Illinois State Rifle Association will speak to Troop 324, at their regular meeting Tuesday night. He will speak on "Safety in Marksmanship."

Mr. and Mrs. Charles Calvin and Mr. and Mrs. Guthrie Calvin have returned to their home after a trip to Los Angeles, California, where they visited John Calvin, who has been ill.

Jim Bowden, son of Mr. and Mrs. George E. Bowden, 625 Central Avenue is spending his spring vacation with his family. Jim is a student at St. Benedicts, Atchison, Kansas.

Mr. and Mrs. J. V. Spachnerm who have been living at 211 Vine avenue, have purchased the Albert O. Snite home on Oakmont road. They moved this week.

Mrs. Ingram Rasmussen and twin sons and Mrs. Andrew Bloomfield are on a motor trip through the middle west. Their first stop was the State Capitol, Springfield.
