

**LOOK at the
FORD TRUCKS
ON MAIN STREET!**

IN VILLAGE, town, and big city—on farms and on the highways . . . wherever you look, you see Ford Trucks at work. There are *more Ford Trucks at work on the nation's hauling jobs than trucks of any other make!*

There are definite reasons why. Truck owners want a truck with the power, performance and dependability that Ford Trucks deliver. They want economy that starts with low first cost and continues with low operating and low maintenance cost. In Ford Trucks they *get what they want!*

It's no wonder Ford Trucks are as popular on Main Street as on Broadway! And they'll add to their popularity once you try them on your job. See your Ford Dealer today.
