Mrs. Marc Law Will Address League of Women Voters April 23

The Department of Government and Its Operation of the League of Women Voters is exceptionally lucky in having Mrs. Marc Law, who has served as a member of Gov. Green's Conference on Taxation, available to give a firsthand report on this Conference, which she will do at her own home, 27 N. Linden Ave., on Wednesday, April 23. She will also discuss "15,000 Taxing Units, Their Elections, and Officers."

This is to be an all-day meeting, scheduled to begin at 10:30 a.m. and continuing until about 3:00 p.m., with time out for lunch. Any member of the League who cares to attend may do so by packing up her own sandwiches and phoning Mrs. Law, H. P. 1249, so she'll know how many cups of coffee to brew.

Mrs. Spencer Keare, Chairman of the League's Department of Education, is planning a meeting for Wednesday, April 30, at 1:30 p.m., at the Public Library, when her department program will be discussed. This is in line with the plan to acquaint the entire membership with the separate department programs by each department's having an April meeting to which all League members are invited.

WILSON'S Weekly RECIPES

I wasn't surprised to read that in a recent test in which babies were allowed to choose and pick the foods they wanted, those chubby hands reached first for bacon.

Like babies, most grown-ups reach for bacon, provided it's good bacon, with the rich smoke flavor that wakes appetites. Such a bacon is Wilson's Certified Bacon. Buy it sliced, or in the piece (your dealer will slice it to desired thickness). Buy it by the pound or half pound, ready sliced in cartons, in cellophane rolls and layers, or in the thrifty two-pound Family Style package. This bacon is the "makin'" of many a wonderful meal.

Bacon Dinners Easy

—Thrifty—Good!

Broiling bacon is the method recommended by experts because it brings out all the delicious flavor. Broil together in a moderate oven (350°F.) two thirds of a pound of sliced Wilson's Certified Bacon, 8 thick slices of tomatoes and 4 large boiled potatoes, cut in half. Dot potatoes and tomatoes with butter and sprinkle with grated cheese. Turn bacon often so that it cooks evenly. Serves 4.

NEW WAY PROTECTS FLAVOR

To get America's best bacon, 1941 model, ask for Wilson's Certified Bacon Family Style. A two-pound "thrifty-buy" package in which the bacon is sliced in thicker he-man slices, then packed tightly back on the rind, bolt upright. This keeps in all that nut-sweet flavor.

EARLY AMERICAN SALAD

Wash and dry 4 big bunches of green lettuce. Put them in a big bowl. Cut into small pieces and fry 1/2 pound Wilson's Certified Sliced Bacon and add to lettuce. Heat together 4 tablespoons bacon fat, 4 of vinegar, 4 of water, 4 of sugar; salt, pepper, and green onions sliced. Pour over the lettuce. Toss thoroughly. Homey and delicious. For a heartier dish, add slices of hard cooked Clear Brook Eggs.

When It's Flavor You Want

Suppose you have a casserole of cooked hominy, noodles, macaroni, spaghetti or rice—and you want it extra-flavorful. Simply cut up and fry one half pound Wilson's Certified Bacon. Add this and two tablespoons of the bacon fat to your casserole contents. Stir thoroughly but gently.

EASY BREAKFAST BACON

Place 1/2 pound Wilson's Certified Sliced Bacon on a wire rack in a dripping pan. Bake in a hot oven (400°F.) until bacon is done. Needs no turning.
