

"Man—what meals!"

"...and cooking is so easy now!"

Clean and modern as electric light—
priced to fit your budget

MODERN ELECTRIC RANGES

\$103⁹⁵ and up

Cool—clean—fast—cheap—convenient—everything you want to make cooking pleasanter and easier! The stunning new Electric Ranges now being shown in our display rooms are the very last word in appearance, in design, in convenience. You'll love the way they cook—meals are more delicious, more healthful because precious vitamins, minerals and rich natural juices are kept in—not cooked out.

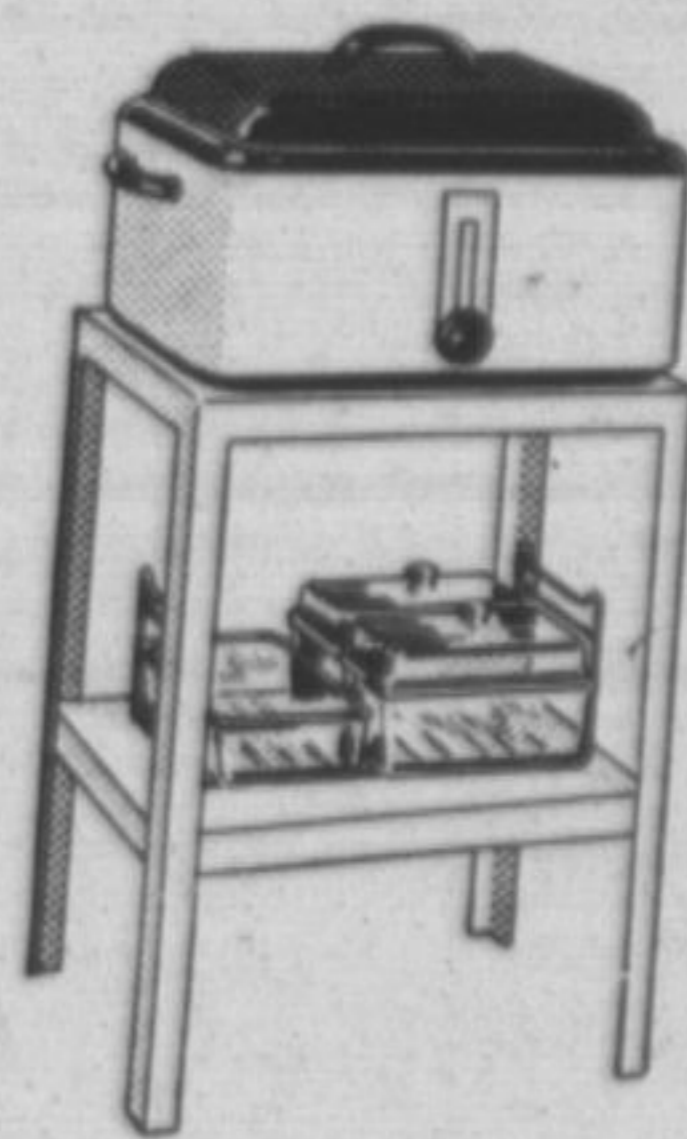

Come in—select the model you want, trade in your old stove and get a valuable electric roaster or aluminum cooking set in return. It's an amazing offer and one that is good for a limited time only. So act now!

Other dealers are also making fine Electric Range offers

PUBLIC SERVICE COMPANY of Northern Illinois
