## CHRISTIAN SCIENCE CHURCHES

"Probation After Death" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 27.

The Golden Text was, "God hath both raised up the Lord, and will also raise up us by his own power" (I Corinthians 6:14).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Now when Jesus was risen early the first day of the week, he appeared first to Mary Magdalene, out of whom he had cast seven devils. And she went and told them that had been with him, as they mourned and wept" (Mark 16:9, 10).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Jesus' unchanged physical condition after what seemed to be death was followed by his exaltation above all material conditions; and this exaltation explained his ascension, and revealed unmistakably a probationary and progressive state beyond the grave. Jesus was 'the way;' that is, he marked the way for all men" (p. 46).
