## George W. Smith To Address C. of C. Will Discuss Methods To Avoid Loss To Defrauders Of All Types

The Highland Park Chamber of Commerce will hold its next regular dinner meeting, Tuesday evening at 6:30 o'clock at Open House Tea room.

In an effort to outline the schemes and methods used by shop lifters, check passers, forgers and counterfeiters in defrauding and swindling merchants and business men, the program committee has secured Mr. George W. Smith to address the gathering. Mr. Smith was secured thru the cooperation of Chief of Police Rex Andrews.

Mr. Smith became a member of the Wichita police department following his university work in police administration. It was during this service that he made an excellent record in the various branches of the service, distinguishing himself primarily in the store detail assignments relating to the safeguarding of business men from all types of racketeers.

He subsequently did such excellent work in the lie detector or polygraph work, that following assignments with various police departments, and more recently with a west coast airplane factory. The inventor of the lie detector, Leonard Keeler, just hired him to come to Chicago and work for him in his own laboratory in Chicago.

Business men will find this an excellent opportunity to secure first hand information on possible ways to avoid losses to defrauders of all kinds.

## AMERICAN LEGION POPPY DAY, MAY 26

This year the American Legion auxiliary of Dumaresq Spencer Post 145 will again offer the public an opportunity to take part in the Poppy Day drive. They will sell poppies on Monday, May 26.

With the world rapidly becoming a battlefield, and with our own nation straining every resource to defend its heritage of freedom, the poppy has a special message this year. It speaks of the patriotic sacrifices made on the battlefields of France and calls to all Americans to serve again for the security of the country.

We will wear our poppies this year as a badge of patriotism.

The proceeds from the distribution of the poppies are used for the service and relief funds of the state department of the American Legion Auxiliary and for the Child Welfare, and Rehabilitation program of the local unit here in Highland Park. School children are making posters for Poppy Day.

Mrs. Edward J. O'Breirne and Mrs. Edward G. Ademak of Elgin and Mrs. Harold Kuettner of Dundee were luncheon guests of Mrs. Anna Daniels, 807 Deerfield avenue, Tuesday.

## CLEAN-UP WEEK

The city administration has designated the week of May 12th to May 16th as annual Clean-Up Week, and announces collections to be made on certain days in certain districts. No ashes will be hauled away by the city trucks, and all tin cans and other rubbish must be placed in containers and put out on parkways. The city workmen will not go into basements or yards to collect the materials.

The days of collection in the several districts are as follows:

Monday, May 12th—Vine avenue north to city limits.

Tuesday, May 13th—Vine avenue to Laurel avenue.

Wednesday, May 14th—Laurel avenue to Lincoln avenue.

Thursday, May 15th—Lincoln avenue to Roger Williams avenue.

Friday, May 16th—Roger Williams avenue to County Line road.

## JANET INGRAM IS ELECTED JR. STATE PRESIDENT OF C.A.R.

Janet Carle Ingram, daughter of Mr. and Mrs. Carl E. Ingram of Highland Park and Evanston was elected junior state president of the Children of the American Revolution, at the state convention held Saturday, in Highland Park Community Center.

Miss Ingram who was born June 8, 1923, is a member of Trinity Church, and president of Dramatic Society Masque and Dirque of Roycemore School, Evanston, where she is in her senior year. She has also served on the athletic board at Roycemore. In 1938 and 1939 she served the Blackhawk society of which she has been a member since 1931 as its junior president. Miss Ingram has written the history of the society as the State C. A. R. Archive and is also author of a series of authentic historical articles for the National C. A. R. magazine. A story entitled "A Pioneer Girl" also has been published in the National Historic magazine of the D. A. R.

About 135 attended the convention Saturday. In the station after Saturday. In the afternoon seventy-five of the guests visited Great Lakes Naval station after which they attended at tea at the home of Mrs. Rogers in Lake Forest. Among the hostesses were Mesdames Speed,

## NEW DECORATING SHOP IS OPENING HERE

A new and unique shop is being opened on May 17 at 554 Central Avenue (corner of Green Bay Rd.), by W. V. Street, Ltd.

Mr. C. B. Crow and Mr. Wallace V. Street are the owners and they program to give residents of this and neighboring communities something new in the way of free decorating counsel and service.

Mr. Street is an expert in the decorating field. He is a graduate of the Art Institute of Chicago, spent nearly two years in England and Ireland buying antiques for a well known firm in this country and more recently made a great success as an interior decorator in Madison, Wis. He has just returned from New York where he went to buy for this interesting new venture.

Mr. Crow is an expert in the detail work so necessary in the success of any beautiful interior. It will be his job to see that your rugs are laid expertly, that your curtains, draperies and slip covers are made accurately and hang and fit beautifully; that the upholstery that Mr. Street has helped you select with a fitness to style, period, surroundings, is properly applied with the best possible workmanship. Mr. Crow, formerly of Marshall Field & Company, comes here direct from several years' success at Harry S. Manchester's of Madison, Wis.

The public is cordially invited to attend the formal opening on May 17 when Mr. Crow and Mr. Street will be free to offer their advice on your decorating problems.

Mrs. Carl T. Anderson, South Sheridan road, will entertain a group of the alumnae of the Teachers college at DeKalb, Saturday. Mrs. H. C. Willard of Evanston will be the guest of honor.

Sinclair, Phelps, Harkness, Peterson, Gsell, Day, and Maley. Pouring were Jane Wilson, Marie Helmsold, and Ann Speed.

Guests of honor included Mayor Frank Ronan, Harriett Simmons, Sr. president of the C. A. R. of Michigan, and Mrs. Albert Jenner, national vice-president of the C. A. R., Chicago.

## Woman's Auxiliary Celebrates Birthday Observe 20th Anniversary of Hospital Group May 14th with Luncheon

The Woman's auxiliary of the Highland Park hospital will celebrate its 20th anniversary on Wednesday, May 14, with a birthday luncheon, at Trinity Parish house. This will be attended by all members, including the charter members as special guests.

To these charter members goes the credit for conceiving the idea of an organization, which has, with the years, become an invaluable and integral part of our Highland Park hospital. The hospital had been in existence for three years when the original group was organized in 1921. Many of the active members today are charter members, daughters or daughters-in-law of charter or early members. The president of the auxiliary, Mrs. George C. Baldwin, is a daughter-in-law of a charter member, Mrs. Walter H. Baldwin and the late Walter H. Baldwin one of the founders and the first president of the Highland Park hospital.

In the past twenty years, this small inspired group has seen the organization grow to its present and ever-increasing membership of over 300 hundred women.

During its early years, the Hospital auxiliary aided other organizations in civic, child welfare and health projects. As the community grew the demands on the hospital increased so greatly that the auxiliary has found it necessary to concentrate its effort in that direction.

Today, the major portion of all surgical dressings used in the hospital are made by workers who meet every Wednesday morning at the hospital. On the second Wednesday morning of each month at Trinity parish house members make dressings, new binders, mattress covers, tea towels, crib sides and many other similar articles useful to the hospital.

While these activities comprise the week to week purpose of the auxiliary, the organization is always alert to the physical needs of the hospital. Thus there is a continuous cooperation with the board of managers of the foundation, to assist in providing comfortable, homelike surroundings for patients, medical staff and hospital personnel. The contact with the board of managers is maintained by Mrs. Charles Rubens, Liaison officer, who, in addition to the above, sees to it that the hospital is assisted in providing and maintaining modern equipment which will facilitate and improve efficient medical and nursing care.

The auxiliary underwriters with loans, bearing no interest, the hospitalization of worthy members of the community unable to meet the necessary fees.

In recent years, the auxiliary, through its accumulated Memorial funds, provided a substantial sum toward the installation of a new ele-
