SCHOOL MUSIC FUND GROWS FROM CONCERT

Almost one hundred and twenty-five dollars was added to the music fund of the Highland Park high school, as the result of the two lovely spring concerts presented by the band, chorus and orchestra of the school, under the expert leadership of Mr. Harold Finch and Mr. Walter Aschenbrenner in late March and April. Enthusiastic applause greeted the orchestra and the chorus, and the exceptionally fine playing of Andrew Jacobs, Jr., beautiful singing of Marion Berg and resonant reading of Arthur Dubin at the April concert.

Last Saturday evening, the orchestra received a second rating, which means excellent work, at the State High School Music contest held in Glen Ellyn. Mr. Finch was much pleased with this decision of the judges.

It is earnestly hoped that the band, chorus and orchestra will draw more students into these interesting musical organizations, both from the school student body and from the large entering class of boys and girls from the twelve grade schools in this district.

Mrs. Hawley, who directs the club singing and is also the accompanist, read an original poem which she wrote about the operetta.
