CHRISTIAN SCIENCE CHURCHES

"Mortals and Immortals" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 18.

The Golden Text was, "Forsake the foolish, and live; and go in the way of understanding" (Proverbs 9:6).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For as many as are led by the Spirit of God, they are the sons of God. The Spirit itself beareth witness with our spirit, that we are the children of God: And if children, then heirs; heirs of God, and joint-heirs with Christ" (Romans 8:14, 16, 17).

The Lesson-Sermon also included the following passages from the Christian Science textbook "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Immortal man was and is God's image or idea, even the infinite expression of infinite Mind and immortal man is coexistent and coeternal with that Mind. He has been forever in the eternal Mind, God; but infinite Mind can never be in man, but is reflected by man. The spiritual man's consciousness and individuality are reflections of God. They are the emanations of Him who is Life, Truth and Love. Immortal man is not and never was material, but always spiritual and eternal" (p. 336).

BEST SELLERS

My Sister Eileen, by Ruth McKenney. The book, 226 pages.

Reviewed by Whitt N. Schultz
This is *not* the play. This is the book—the book from which the play was adapted. And, frankly, I don't see how they ever took the play from the book! True, they might have gotten a subtle hint from the book. But, what a vague hint that was.

Miss Loveman, in *The Saturday Review of Literature*, claimed that there is a laugh on every page of *My Sister Eileen*. I disagree: not every page. But, about every twenty pages, there is a laugh. That makes about eleven laughs in all. I can't say that I found them belly laughs—but I must admit that the humorous incidents did kind of tickle the funny bone a little.

But what's the story about? It is about two sisters, Ruth and Eileen, with the decided emphasis on Ruth. That is why it is difficult to understand the title, *My Sister Eileen*. It seems that if one wished to be accurate, one would call the book, *ME and My Sister* by Ruth McKenney.

Ruth is the more likable of the two sisters. She is more human. Indeed, she is even refreshing. And, I like the author's modesty in depicting herself. However, both of the sisters are unforgettable. The experiences that they have are highly realistic: we have all been guilty of doing things that our parents wish us not to do. Ruth and Eileen are the kind that thrive on "naughty things."

The book, then, does nothing more than take these two sisters from childhood to young ladyhood. Of course, the most interesting parts of their lives have doubtlessly been excluded. Just as well—maybe. Some parts of the book are more interesting than others. But, isn't this usually the case?

I like Miss McKenney's way of expressing herself. She writes easily and skillfully, and, she presents some vivid pictures that cut into the mind. This is not easily to achieve. Therefore, Miss McKenney should be praised for her rather rare ability.

The book will make you smile. You might even give a hearty laugh. I hope so. There is always room for humor. Let's always hope there is. Read *My Sister Eileen*. You'll like it!
