COMMUNITY COUNCIL ORGANIZES SUMMER RECREATIONAL EVENTS

The Deerfield Community Council at its second meeting formed a temporary organization for the summer months with its immediate aim, a summer recreational program. The meeting was held last Wednesday evening in the school. Officers of the temporary organization committee are: chairman, E. F. Nelson; secretary, Lester B. Ball; constitution and by-laws committee, Milton O. Olson and Burton B. McRoy, co-chairmen, with Mrs. Charles J. Turner and Clarence Wilson as members; publicity committee, E. F. Nelson, Lester B. Ball and Earl Hurt.

The summer recreational committee will have Ray Cox, seventh grade teacher in the Deerfield Grammar school as adviser and E. G. Jacobson chairman with Earl Hurt, James G. Russell and Mrs. E. M. Davis as members.

The council will take under advisement a question of Irvin Daso of the United States organization regarding to what extent Deerfield will aid the USO program which provides recreational activities for the present army and navy men.

After the organization of the permanent Deerfield Community Council in September a long-range program is its aim with the property surrounding the school on three sides as the site for the municipal buildings.
