Blackhawk Society To Elect Officers

The Blackhawk society of the C. A. R. will hold its annual election of officers, at the last meeting of the season on Sunday, June 15. The senior group will be entertained by Mrs. H. F. Bingham at the Buffalo Creek farm on Dundee road in Wheeling and will meet at 4 p.m. for the business meeting and election of officers. Reports of various committees will also be heard. Tennis and other out of door play with a buffet supper are planned. The meeting will last until 7 p.m. Meetings will be resumed in September.

Soldiers - Sailors Need Home Cooking

Will you help to entertain Soldiers and Sailors? The Highland Park Defense committee urges the residents of this city to aid the morale of the new soldiers and sailors stationed at Fort Sheridan and Great Lakes by extending them the hospitality of their homes. "Meals at any time are welcomed by the men in service," says Nich Young, executive director of the Service Men's Club. He goes on further to say that "informal picnic lunches, steak fries, hot dog roasts, beach parties, trips to various localities before or after a "feed" are always popular with the men in service."

Their loves sunk by the swastika. Just as though they were the targets of totalitarian torpedoes, three American matrimonial barques have gone down and a fourth just barely managed to limp to port. Read about them in The American Weekly, the magazine distributed with next weke's Sunday Herald-American.

A committee of women, headed by Mrs. Warren Danley and Mrs. Walter Rice are building a list of persons who are willing to help with this very interesting program. The invitation to entertain the fellows is open to all Highland Parkers. Anyone desiring to offer the hospitality of their home, and a home cooked meal, call the Service Men's Club, 19 N. Sheridan road. Your co-operation is needed. As one of the soldiers said yesterday "It sure helps a lot to know that people are interested in me. Gosh, I had a whale of a time at dinner last night."

The Highland Park Garden guild will meet at the home of Mrs. Ralph M. Cleary, 428 North Sheridan road, Monday, June 23. Mrs. Richard Kebron is president of the club.

Prize-winning spiced fruit recipes. You'll find seven of them and some odd facts about foods in the Housewife's Food Almanack, that unusual feature appearing in The American Weekly, the magazine distributed with next week's Sunday Chicago Herald-American.

Mrs. Ingram C. Rasmussen, 340 Elm place, entertained six tables of guests at a bridge luncheon at Westmoreland Country club, today.
