

Reelected President Typographer Society

At the recent meeting of the Society of Typographic arts, Charles H. Nixon was re-elected president. Mr. Nixon resides in the Udell building, 538 Central avenue.

Each year the society sponsors an exhibition of fine design in commercial printing which is now on display in the Wing Foundation room at Newberry Library in Chicago. In the fall some of these pieces will be moved to the Museum of Science and Industry to become a part of a permanent exhibit of fine printing.

Infant Welfare Group On Maternal Welfare

A most enlightening talk on "Maternal Welfare in Lake County" was given at the regular meeting of the Highland Park Infant Welfare group. Dr. Lowell F. Bushnell was the speaker. He traced the history of the founding of maternal welfare groups and clinics throughout the nation with the realization that to have healthy babies we must have healthy mothers.

The Infant Welfare members were deeply interested in learning of the work being done in Lake county by the permanent lay maternal committee. Dr. Bushnell gave a resume and the hopes and plans for the future. The educational program is to be continued and a new questionnaire addressed to the mothers of babies born in Lake county during 1941 is now in preparation.

Board Meeting Of Ravinia Garden Club

A meeting of the Ravinia Garden club board will be held Tuesday, July 8, at 10 a.m. at the home of Mrs. Theodore Uehling, 2277 Lincolnwood road. Plans for the July 11 meeting will be made.

Mrs. R. W. Douglass, 311 Woodland road, will be hostess at the meeting to be held on the later date, beginning at 2 p.m. Mrs. James Lytle, program chairman is in charge of the meeting. "Grandmother's Garden in Old Glass" is the topic to be discussed by Mrs. Charles Clarehan of Hinsdale, speaker.

WHAT'S ON YOUR MIND?

by
Savant

In response to our column last week, the mail brings us a letter from a man who says, "My wife is bothered with headaches and is always filling herself with nostrums. What can be done to help her, Savant?"

Savant's reply is addressed to that vast number of people who suffer from what they vaguely term "headaches." The fundamental cause of common headaches is that the brain of the sufferer has all too often ceased to function logically or is subconsciously distressed by an illogical situation. Nature seems to have built our brain tissue to operate smoothly only as long as we remain logical. Logic is the name given to the science of reasoning. It is a study which most men shy away from; to most women it is incomprehensible.

Few women have attempted to study out the meaning of the word "logic." Yet every woman has a brain, operating in a way of which she is entirely unconscious. A logically geared mind, in the possession of a woman who does not recognize logic, creates a conflict in the mind, and a potential headache, according to psychologists.

A headache may be due to some entirely physical reason, such as some maladjustment in bodily function. However, it is more likely to be caused by subconscious mental conflict.

For example, a woman with a good, loyal hard-working and conventional husband, hears him say after the last election that he voted a Communist ticket. She knows this isn't in accord with his usual conduct. He may laugh it off, so may she, but the knowledge that her husband has reacted illogically is a first-class reason for that wife to develop a first class headache. Her husband, usually so stable and dependable, has done something so illogical that it upsets her own mental processes.

Let me point out that people of low mentality are seldom bothered with headaches. They are not good "thinkers," do not try to analyze situations and fail to see reason or lack of it, hence are not disturbed. It is the person with a good brain, but with little understanding of its function who, subconsciously recognizing lack of logic, is most apt to suffer with headache.

Savant invites your comment.

Two Carnivals To Be

Held In Deerfield

Deerfield is preparing for two carnivals next month. The first will be the annual Deerfield Legion days on Friday, Saturday and Sunday, Aug. 14-16. The second is to be the village benefit and will be given a brand new name this year after the committee meets again to discuss publicity. The village carnival is tentively scheduled for Saturday, Sunday, and Monday, Aug. 30-31, and Sept. 1. The Holy Cross Catholic church carnival which was usually held over the Fourth of July is to be dispensed with this year, and instead they will have a chicken dinner festival on July 20.

George Coleman Weds Wisconsin Girl

The marriage of Miss Norma Schmeiser, daughter of Mr. and Mrs. A. J. Schmeiser, Chippewa Falls, Wis., and George Coleman, son of Mrs. Ada Coleman of 844 Taylor ave., was solemnized Saturday evening in Waukegan.

The bride was attired in a navy white accessories and a corsage of pink roses and white carnations. She was attended by Miss Genevieve Wilner of this city who wore navy blue and white and a corsage similar to the bride's.

Frederick Coleman, served his brother as best man. Only a few members of both families witnessed the ceremony. The sudden death of Joseph H. Taylor, who was to have performed the marriage service somewhat dimmed their wedding day.

The ceremony was followed by a supper in Wheeling.

Upon their return from a wedding trip Mr. and Mrs. Coleman will take an apartment in this city.

Building Records Reach New High In June, Total \$219,143

Breaking all records for any single previous month during the current year and last year, building neared the quarter million mark, according to records in the office of Sidney Morris, Highland Park building inspector.

The 30 construction permits for building in June was valued at \$219,143 and was divided as follows:

13 single family dwellings	\$173,742
6 private garages	3,635
11 alterations	41,766

Total building for the first six months in Highland Park was \$923,338. The monthly figures were January, \$125,461; February, \$103,028; March, \$131,167; April, \$152,696; May, \$191,853.

Building totals for the first six months of 1940 were \$455,705. Comparative to the June total of a year ago was \$99,540.

Deerfield-Northbrook Rotary Club Installs New Officers July 3

At the weekly luncheon of the Deerfield-Northbrook Rotary club Thursday, July 3, at Phil Johnson's, the newly elected officers were inducted. Those to serve for the ensuing year are:

President, Thomas Adams, Northbrook.

Vice-president, John Kress, Winnetka.

Secretary, Lester B. Ball, Deerfield.

Treasurer, Nicholas Bree, Northbrook.

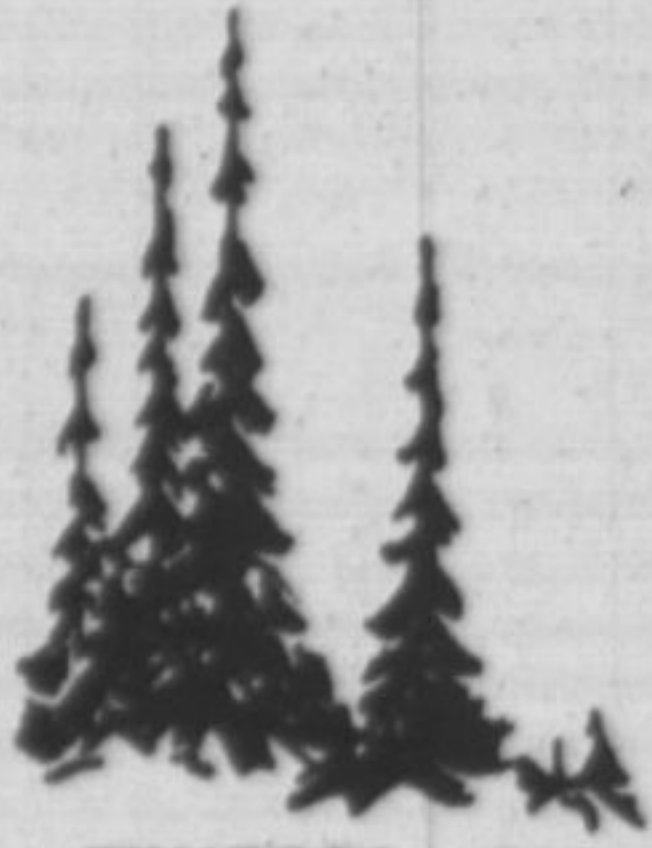

The retiring president is Edward Carter of Northbrook who automatically becomes a director for the coming year.

In addition to Mr. Carter, the board of directors include the above mentioned officers and two others—Phil Johnson and Norman Watson, both from Northbrook.

Last Thursday following the dinner meeting, the club members went to Lake Geneva for a golf tournament.
