

New Alleys Opening Saturday At Ten Pin

Highland Ten Pin's eight new alleys on the second floor of the building at 139 N. Second street will be opened Saturday evening, Aug. 30, at 8 o'clock. The first ball will be thrown on the new alleys by Mayor Frank J. Ronan.

There will be four match games on the opening night: The Villa Moderne Ladies will bowl the El

Sixteen Alleys

Due to the increase in clientele, it was necessary to install eight additional alleys at the Highland

Ten Pin this year, making a total of sixteen alleys.

The eight new Brunswick-Centennial alleys on the second floor have a new design on the approach. The walls are all of knotty pine, new sound-proofing has been installed, and there is fluorescent lighting throughout. The seats for bowlers are circular, and there is a soft drink counter and ladies' and men's lockers and a bowlers' meeting room. In addition to soft drinks and sodas, sandwiches will be served on the main floor. The building is completely air-conditioned.

Young Men's Club Troupe Crescents

It was Young Men's club 6, H. P. Crescents 5 in the second City Series clash for the baseball championship of Highland Park. YMC hurler Harry Skidmore, former flinger for the Purple of Northwestern university, was a headache for the Crescents and deserving of headlines for his four hit performance.

Seven errors by Skidmore's teammates made the game a nip and tuck affair because "Skid" allowed only one earned run. Gerkin belted a triple for the only solid blow in the Crescents offensive.

The batting star in the winners' 13 hit attack was Bertucci who clouted a single, double and home run for his three official trips to the platter. Second-sacker Traini also hit one of Burt Blow's offerings for a round trip of the runways. Skidmore himself got two hits and tallied the winning marker.

The Crescents were handicapped somewhat as they did not have the services of their regular slab star, Bob Davis. However, since the series is now knotted at one win apiece, Davis should be available for that crucial third meeting of the two local nines, on Labor day at Sunset park.

Pitching duties for the YMC will be carried by Elmer Maiman, YMC fireball artist.

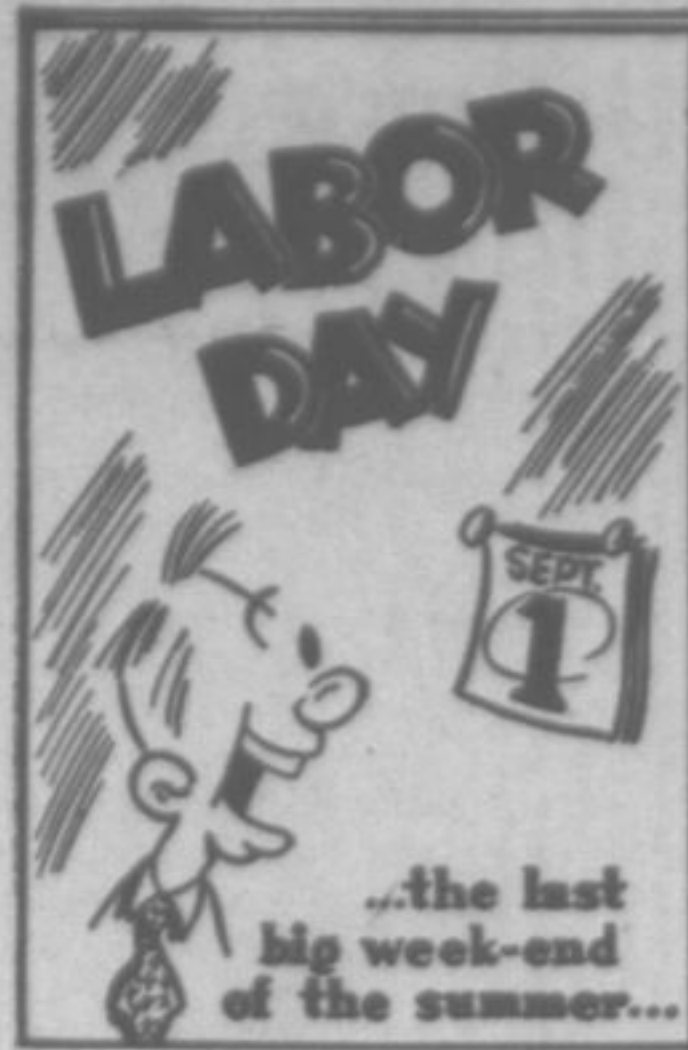

Home Runs: Traini, Bertucci, Triples: Gerkin, Doubles: Bertucci, Double Plays: Y. M.C. One. Base on Balls: Off Skidmore 1, Blow 1, Struck Out By: Skidmore 3, Blow 2, Where Played: Sunset Park.

Thrift Shop Dance At YWCA Saturday Draws Good Crowd

The Saturday night dance given by the board of the Thrift shop at the Y.W.C.A. became practically a "going away" party for the fifty-five soldiers from Fort Sheridan who had been invited. Forty girls, members of the Girls Service organization, attended the dance.

Hosts for Evening

Mr. and Mrs. Charles H. Leudemann and Mr. and Mrs. Philip L. Johnson were hosts for the evening and fruit punch and cookies were served during the dancing. Mr. Leudemann was master of ceremonies.

The fun ended in time for the men to return to the Fort to prepare for their departure for war maneuvers, but as one of them said, "don't forget we'll be back."

Heater Sale Contract Terms Shortened Says J. W. Kehoe

The shortening of terms on installment sales of electric refrigerators and gas water heaters was placed in effect August 16 by the Public Service Company of Northern Illinois, according to a statement made by J. W. Kehoe, division vice president of the company.

Under the revised schedule, the minimum down payment will be 10 per cent of the purchase price. The maximum number of monthly installments in the case of electric refrigerators will be reduced from 48 months to 36 months.

These credit changes have been adopted in keeping with present national trends, Mr. Kehoe pointed out.
