### Lets Go Back To College!

Carol and Dave, Highland Park college kids, are talking about college and their many college friends. We overhear them. Here is what they are saying:

"Rosemary Burghart thinks that she will go East this year . . . Let's see. Who all is going East? Steve and George Aubrey will be going to Princeton—Steve will be a Junior and George a freshman. Both good fellows. Both good athletes. They'll do Princeton a lot of good. Watch and see! . . . Pete Wolff tells me that he is in great shape. You know, he'll be captain of Cornell's football team this coming season. Bet Pete will be on the All-Star team in 1942. Want to bet? . . . Paul Haskins and possibly Robin Gourley will also return to Cornell.

"Yes, Lois Vanning will be a Sophomore at Smith . . . Bev Roach might go East. Where? I don't know. Ask her sometime . . . No. Bobbe Bosworth isn't going back to Connecticut College, I understand. She thinks that she would rather travel. That's kinda tough on the Eastern college lads, though! . . . John Heath is going to Dartmouth. I think that he'll do great things there in the way of athletics . . . Don Sheridan will be a Sophomore at Dartmouth. So, too, will Jack Snobble . . . Don Nichols is returning to Hamilton College . . . Kieth Shay? Back to Amherst. A Junior and a leader . . . John Butler and Carroll Binder will return to Harvard, and they'll set new scholastic records . . . Attractive Mary ("Sis") Binder returns to Mount Holyoke . . . Carol Jones returns prettier than ever to Wellesley . . . Mirth Durbahn says Skidmore is 'wonderful'. Guess she'll be there for the duration! . . . Soon-to-be-a debutante Barbara Bowes enters her second year at Pine Manor . . . Lou Harrison will be back at Pine Manor, too. Kay Seese will go East.

"In the South we have Lymie Benson returning—a Senior—to Georgetown. There he will again star in football, basketball, and track. A real athlete! . . . Bob Walker is going back to Washington and Lee . . . Betty Harris goes back to William and Mary . . .

"You know, we have a lot of our friends going to college right here in the solid Middle West. Dave Wilder, handsomely tanned from his summer life-guarding, returns to Iowa where he will make many sit up and take notice! . . . Photographer Jack Orris will also go back to Iowa . . . Chuck Riets goes back to Purdue a Senior engineer. I feel that Chuck will be successful in his work . . . Bill Kelly, happy to get away from the innumerable Northwestern coeds, returns to Notre Dame . . . Libby Clarke will be a Senior at Carleton. Lib, a

Careton leader, has done mighty well and she won't be forgotten . . . George Lyman will continue his flying instead of returning to Lake Forest. George handles a plane with the same kind of rare skill that he handles his drums. Wonder why George doesn't form a swing band on the North Shore?

"Phyllis Delhaye is going back to Illinois Wesleyan . . . Marshall Johnson is making airplanes in California. No more Wash College for him for awhile! . . . Kappa Jerry King returns to Wisconsin where many are happily awaiting her . . . Petite Ann Miller goes back to National College of Education. There she has been doing excellently. Ann is perfect with children . . . Strikingly attractive Beverly Date begins her college at Dennison . . . John Levinson is returning to Kenyon . . . Theta Monie Eyley returns to Minnesota. Big and powerful brother Jo Eyley also goes to Minnesota. There well-liked Jo will continue his fond acquaintance with a very pretty girl! . . .

"Northwestern takes quite a few this year. The Pfisters: Shirley, Alice and Bud . . . Paul Wells continues . . . Tom Simpson will not return. I'm sorry about that, and I know a lot of other people who will feel the same . . . Joan Nash returns a Sophomore . . . Dick Thorsch—who seems to know everyone on campus!—will be back and in the new N. T. I. . . Hope Burt Beers will come to NU . . . Ed Detmer needs a few more hours and he'll be an NU graduate . . . Bill Peters has given up his education for the time being. Reason? He'll be working in the new Buick plant . . . Tow-headed and hearty-laughter Wally Carr will wind up his senior year at Northwestern . . . Dot Lytle will again take Northwestern by storm. To say the least, Dot was tremendously popular at NU last year—and she'll continue to be this year! . . . Big Bob Johnson will be an up-and-coming Sophomore. His chances for making Waldorf's frisky Wildcats are better than average. NU needs good linemen this year.

"Way out West we find Louise Lyman at the University of Colorado . . . Beautifully constructed and 'Greek God' Tom Ullman will return—a post graduate!—to the University of Washington. There he will begin his law schooling. And there he will again see his beautiful friend!"

Carol and Dave, for the time being, had exhausted the names of their college friends and, therefore, discontinued their college chatter. They'll be back, though. Soon. You see, they haven't mentioned all of their friends. Come again another day and listen to their college prattle . . .

St. Paul's Sodality will meet tomorrow, (Friday) afternoon at the home of Mrs. Martin Murphy.

Mr. and Mrs. Vernon Peterson and children, 144 Sunset road and Mr. and Mrs. Frank Peterson spent Labor Day at Cary.

Martin Victor, will speak on "The Process of Furs" at a meeting of Tri-Delta, at the home of Mrs. F. D. Boyd, Kenilworth, September 10.
