Elm Place School Present Exhibit of Ponsen Paintings

Elm Place School is happy to present to Highland Park the privilege of seeing an exhibition of twenty beautiful paintings by Tunis Ponsen, well-known Chicago artist.

Few schools are as well equipped to arrange an exhibition of paintings as is Elm Place with its fine Hall of Pictures.

It is most fitting that the youth of today to given every opportunity to live in close contact with the works of men of Tunis Ponsen's caliber. A soldier when the occasion demanded, but preeminently a man of peace as his works show.

Born in Wageningen, the Netherlands, began his art studies under August Falise, Dutch Sculptor, and Louis Raemakers, famous war cartoonist. Served in American army 1918-19. Studied at Art Institute of Chicago under George Oberteuffer, Karl Buehr and Leon Kroll.

There is a kind of blunt Dutch honesty in a painting by Tunis Ponsen. He is never guilty of adding sugar and spice and everything nice that might make a rich and popular pastry for rapid and eager consumption.

During February a group of paintings by Dale Bessie, of the new famous Brown County artist's colony in Sonheim, Indiana, will be shown in the Hall of Pictures.

Young Man About Town

By Whitt N. Schultz

Tribute To A Friend

He has passed away and his many friends will miss his warm and sincere friendship... his happy smile... his good-naturedness... his pleasing personality...

We remember the handsome young man riding down the streets of Highland Park in his open car, waving to all his friends...

And then over at Exmoor... always gay... always the one who made the party pleasant... And on the golf course... could anyone beat him in a round of golf?

Yes... he was a sport... and a gentleman popular with all... The mechanics at the garage, the mailmen, the policemen, the Highland Park shop keepers, and his Rector, and many others were his friends.

And why not?... He was the kind of young man you liked right away... And, as you grew to know him better, you began to sense his salient characteristics... And you liked him more and more... And then suddenly you realized that you had a loyal friend... a best friend...

To be admired by men is one of the main goals in a man's life... He was admired... We know that... And the members of his fraternity considered him a leader...

Somehow we feel he has left a world which is not lead by men of his character... a world not good enough for him... He has passed on to a better, happier world... where there are more men like him... We will miss you, Paul Haskins... but we will never forget you... Farewell...

Mr. and Mrs. Joseph Caldarelli, 252 Sixth Central Avenue, announce the birth of a daughter born January 5, in the Alice Home Hospital, Lake Forest.

Mrs. Harold Mundstock left Saturday for New York to see her new granddaughter who was born the latter part of December to Mr. and Mrs. James Mundstock.
