## Library

Among the available technical books for the industrial worker, the student and the layman, at the Public Library are books directly concerned with the machinery of your profession.

Recent additions include such books as:

"Radio troubleshooter's handbook", Alfred A. Ghirardi; Tells how to modernize old receivers, volume and tone control circuits. The information is arranged to assist the radio servicemen in their daily work, servicing all types of home, portable and autoradio receivers.

"Audels new automobile guide for mechanics," F. D. Graham; A complete handbook for mechanics, operators, and servicemen, with questions and answers and illustrations on the theory, construction and servicing of motor vehicles including Diesels.

"Electrical machinery," T. Croft; A practical book with a little mathematics and many good illustrations. This book has been revised to keep in line with recent developments in generators, motors, converters, and mercury arc rectifiers. A chapter on testing such machinery is included.

"Principles and practice of electrical engineering," A. Grey; Revised by G. A. Wallace;

Much of this book is based on a lecture and laboratory course given to senior civil, mechanical and mining students at McGill University. Included in the book is current information on the induction motor, wattmeter, induction regulator, direct current starting boxes and speed control, self-excitation, armature reaction in direct current machines, and thermionic tube amplifiers. Problems relating to these various subjects are included at the end of each chapter.

"Aircraft year book," Published by the Aeronautical Chamber of Commerce of America, Inc. If you want flying facts and figures, aircraft and engine designs, or information on private flying, government activities or army and navy air forces, you will find this year book an excellent source of information.

"Aerodynamics of the Airplane," Milikan. A most recent publication.

"Radio operating questions and answers," Nilson.

### Betty Grable Elected Soldiers' Sweetheart

Betty Grable, blonde 20th Century-Fox star, now wears the title, "Sweetheart of Camp Joseph T. Robinson." The camp, which is located near Little Rock, Arkansas, is one of the largest army training centers in the nation. But it was only after a near-calamitous misadventure which had brought the wrath of the camp's 20,000 soldiers on her head that the title was finally bestowed.

Betty, who was busy making "I Wake Up Screaming," the film currently at the Glencoe Theatre, had been invited by letter to be the camp's sweetheart—but she never received their letter to her!

So she was amazed to receive through the mails a copy of the camp newspaper, "The Covered Wagon," which bore this banner headline: "Betty Grable Turns Cold Shoulder to Camp Robinson"

The paper was sent to her by a soldier who is her self-appointed special correspondent at the camp, Private Norman J. Stemme. He writes to her daily of activities at the camp. As soon as she read the story, Betty wrote to the commanding officer and explained that she never received the invitation. She advised him that she would be highly honored to be known as the camp's sweetheart.

A few days later Betty was notified that the soldiers were very sorry the mistake had been made, and that they had named her the sweetheart of Camp Robinson.

### "40,000 Horsemen"

As author, actor and producer, as well as serving in various other capacities in the film studios of Hollywood and Australia for the past twenty years, a colorful career has been followed by Charles Chauvel, who produced "Forty Thousand Horsemen," which comes to the Glencoe Theatre for a run starting next Sunday.

## County Dentists Guest of Navy

Fifty-six dentists were the guests of Capt. J. A. Tarrte and his associates in the Navy Dental Corps, February 18, at the Great Lakes Naval Training Station. This was the fourth in the series of dental defense meetings being held by the dentists of Lake County and adjoining communities.

Working with the local committee, Captain Tarrte secured the services of Dr. George B. Callahan, Waukegan surgeon, who discussed the application of bandages, splints and sterile dressings and demonstrated their application. Facilities and materials were made available for each member of the group to participate in the practical application of many different forms of bandages and dressings frequently needed in both emergency and routine treatment of civilian and war casualties.

Dr. L. E. Hill, president of the Lake County Dental Society, announced a particularly full program for Lake County dentists during the next two weeks, including the regular annual midwinter meeting of the Chicago Dental Society, February 22nd to 26th inclusive at the Palmer House, Chicago, and the next regular meeting of the Lake County Dental Society, Glen Flora Country Club, Tuesday evening, March 3, at 6:30 p.m., this to be a dinner meeting and clinic on prosthesis by the head of the prosthetic department, Marquette University Dental School, Milwaukee, Wisconsin.

On Thursday evening, March 5, the dental defense meetings will be resumed at the Victory Memorial Hospital. Dr. F. A. Besley, past president of the American College of Surgeons, will discuss the subject of shock and hemorrhage.

### Lloyd Moon to Preside at Y. M. C. Monthly Meeting

The regular monthly meeting of the Highland Park Young Men's Club will be held next Monday, March 2nd, at 8 o'clock at the Highland Park Community Center.

This will be the first meeting under the directorship of the newly installed officers, who are as follows: Lloyd Moon, President; Stewart Croke, Vice-President; Bill Larson, Secretary; James Golden, Treasurer; Joe McClory, and Harry Skidmore, Trustees.

The feature of this meeting will be a ping-pong tournament among the members and guests. There will also be pinochle, handball and squash with instructions for beginners. The program for the year will stress physical fitness in cooperation with National Defense.

Mr. and Mrs. Gilbert Hardacre, 1019 Marion Avenue, have returned home from a two-weeks vacation spent in Fort Lauderdale, Florida.

Mrs. William Ruffner, 1408 Dean Avenue, has returned to her home after spending the winter in Schenectady, N. Y. with her daughters.

The Highwood Lions club will meet at noon today at Gibribini's restaurant, 427 Funston Avenue. Charles Marionelli, president, will conduct the meeting.

Mrs. Charles Donini, 348 Prairie Avenue, entertained the members of the Penelope club at her home Wednesday evening. Plans for the club's fourth birthday celebration to be held in April were made.

### CARD OF THANKS

We wish to thank our friends, neighbors and the police department for the beautiful floral tributes and the kind expressions of sympathy shown us at the time of our bereavement.

Mr. and Mrs. Edward J. Moroney and family.

## Newspaper Men Reorganize Sheridan Paper

Organization of a committee of leading advertising and publication executives to reorganize the Fort Sheridan newspaper as a non-profit enterprise was announced today by Kellogg M. Patterson, 212 Maple Avenue, Highland Park, western manager of the Cincinnati Times Star.

The voluntary group, most of whom are ex-servicemen residing in Highland Park and the North Shore, met at Fort Sheridan Sunday, February 22, and drew up the first plans. Mr. Patterson served as general chairman. The new paper will be operated entirely by this civilian organization, with cooperation of Fort Sheridan authorities.

The purpose of the reorganization and the committee is to develop the outstanding camp newspaper in the country, Mr. Patterson explained, as an important factor in the building of morale. The group intends to incorporate as a non-profit organization, with all profits going to the educational and recreational fund of Fort Sheridan for the operation of the Service Club and the entertainment of the soldiers.

Preliminary plans call for changing the name of the weekly publication from "The Sheridan" to "The Fort Sheridan Tower," and naming a committee the Fort Sheridan Tower Sponsors, Inc.

Subscriptions will be sold to civilians, particularly residents of the North Shore, as part of the campaign of public relations to inform them of the activities at the Post. A general women's committee will be organized to handle the subscription drive, Mr. Patterson said.

Reorganization is expected to be completed within the next three weeks, and the first issue of the new publication will make its appearance then. The present paper, "The Sheridan," will be continued until that time.

Robert F. Walker, 234 Cary Avenue, Highland Park, Lord and Thomas, and George H. Hartman, 932 Lincoln Avenue, Highland Park, George H. Hartman Co., were named as vice chairmen of Fort Sheridan Tower Sponsors, Inc.

An operating committee of seven members was also named at the Sunday meeting, Mr. Patterson said. It is headed by Earl E. Sproul, 603 Kimball Rd., Highland Park, Western Newspaper Union, as chairman, and William B. Carr, 121 North Linden Avenue, Highland Park, Time, Inc., as vice-chairman.

The other members are Bernard E. Newman, 122 North Sheridan Rd., Highland Park, Curtis Publishing Co., Arthur B. Olsen, 830 Greenleaf Ave., Glencoe, Chicago Tribune; E. T. R. Murley, 645 South St. Johns Street, Highland Park, Chicago Daily News; Frank W. McDonald, 1033 South Linden Avenue, Highland Park, Time, Inc.; and John R. Rutherford, 323 Woodland Avenue, Highland Park, Fortune Magazine.

Among the other members of the Fort Sheridan Tower Sponsors, Inc., are William D. McDonald, 20 South Linden Avenue, Highland Park, Henri, Hurst & McDonald; James T. Aubrey, 234 Central Avenue, Highland Park, Aubrey, Moore & Wallace; Paul E. Faust, 1425 Davis Street, Evanston, Mitchell-Faust Co.; E. H. Morrissey, 903 South Green Bay Rd., Highland Park, Fulton, Home & Morrissey, Inc.; Ward Just, 709 North Genesee Street, Waukegan, Waukegan News-Sun; Gilbert Fuller, 303 Maple Avenue, Highland Park, publicist; Jess Halsted, 619 Crofton Avenue, Highland Park, attorney; Arthur Meyerhoff, 1814 South Sheridan Rd., Highland Park, Arthur Meyerhoff & Co.; Lloyd Hollister, 1185 Ash Street, Winnetka, Lloyd Hollister, Inc.; Nick Young, director of the Highland Park USO club; and George Leitner, 2315 Blackhawk Avenue, Highland Park, Young and Rubicam, Inc.

### Elsie Plant, Lieut. Eaton Are Engaged

Mr. and Mrs. William Marshall Plant announce the engagement of their daughter Elsie, to Lieut. Harry Ernest Eaton, son of Mr. and Mrs. William B. Eaton.

Lieut. Eaton received his commission at the University of Alabama in 1938.

### Helen Neacham Lieut. McMahon Wed February 8

Mrs. Harriet Neacham of Roseville, announces the marriage of her daughter Helen, to Lieut. John P. McMahon, Jr., son of Mr. and Mrs. J. T. McMahon of Highland Park on February 8. The ceremony was performed by Father Callahan, of the St. Augustine church, St. Augustine, Illinois. A reception followed at the home of Dr. and Mrs. Daniel Simmons. The bride was a nurse in Highland Park and is well known here.

Lt. McMahon has just completed his air corps training and is now at San Diego, California with the marines. Attending the ceremony were Mr. McMahon, Miss Laura McMahon and Dr. and Mrs. Blatchford, Jr., of Winnetka.

## Station Groups Organizing To Save On Tires

"Have you arranged to budget the precious miles left in your tires," asks Robert Leopold of 930 S. Linden Ave. who suggested several weeks ago that Highland Parkers unite and form station groups to drive commuters to the station in the morning and home again in the evening.

"Have you formed your station group yet" queries Mr. Leopold? Here are suggestions how to do it.

1) If you take a regular morning or evening train, or both, speak to two others in your neighborhood about driving together.

2) Each person drives his car for a week. If you happen to be going out of town or not taking your regular train in a minute or two you can phone the person driving that week telling that you will not be there. If its your week to drive arrange to have the group driven by some member of your household or arrange to take your turn later.

3) Arrange where you will stop to get your passengers. It isn't necessary to stop at each rider's home, a convenient corner will do. If your passengers are late it's just too bad.

"Many wives drive their husbands to the station," concludes Mr. Leopold. "Just think of the convenience for the little woman—no hurrying to make the train three weeks out of four. In addition to saving 748,000 tire miles, if you form these groups, 50,000 wife miles will be saved!

## Ferry Hall Alumnae To Meet

Ferry Hall Alumnae association will meet at the home of Mrs. Arthur H. Haigh, 9049 Hoyle Ave., Chicago, March 4 at 1 o'clock. Mrs. J. T. Griffith, Jr., Highland Park is president of the association. Plans for a benefit party to be held in the spring will be discussed.

## Red Cross Collected \$15,296.72

Highland Parkers to date have given \$15,296.72 to the local chapter in the drive for war relief funds. Part of this amount represents funds collected by the volunteer women workers in the house to house canvass. The Woman's committee, headed by Mrs. Julius Lackner, and Mrs. Malcolm Vaile, through special gifts and the canvass, turned in \$12,396.72, and further contributions are expected.

H. F. Kelley, president of the Highland Park Red Cross chapter, reports a total collection of \$2,900. About fifty per cent of this amount was contributed by local merchants. The balance of this sum was attributed to voluntary contributions to the general fund.

The six Italian-American clubs of Highland Park and Highwood recently joined in giving a benefit party for the American Red Cross. Proceeds from the event were turned over to Mr. Kelley for the fund.

There is still time to give if you haven't already done so. If you have given and care to give again, your contribution will be welcomed. "Give a day's pay for those who are fighting for us."

## Bowling Team Gives Benefit For Red Cross

The free lance guild of Chicago Artists Bowling League gave a benefit bowling exhibition at the Chicago Arena, Friday night, February 13. Wives of the team members, headed by Mrs. Harold Mundstock, 1702 So. Green Bay Rd., Highland Park, staged a drive for Red Cross war relief funds. Proceeds were turned over to the Red Cross.

# VITAMINS are VITAL to VICTORY

No greater need faces America and its future, than a strong, healthy people. Freedom and democracy is our sacred heritage . . . to be protected by sound bodies and minds. We must plan accordingly. Home is the starting place for the protection of our loved ones and vitamin-laden foods will help safeguard our cause for victory.

The modern gas range contributes greatly to the supply of essential vitamins. It offers an easy method by which the housewife can retain all the taste thrilling and nutritive value that nature bestowed in food. Top burners on the modern gas range are designed especially for "waterless" cooking . . . vitamins are kept in, not poured down the drain.

Gas cookery is economical and convenient. Shrinkage is reduced . . . meals go further and save on the budget. Automatic features and CP performance provide more leisure time and perfect results. All these things promote health and happiness.

Be healthy and vitamin vigorous. Cook with GAS . . . help a healthy America to Victory.
