Collector's Group To Hear Mrs. Ruth Clarahan Lecture

Service Wives Invited To USO Party

"Mrs. Service Man" is being invited to a get acquainted party at the Highland Park USO, 21 N. Green Bay Road, on Thursday afternoon, April 2, at 2:30 o'clock. Plans will be made for the organization of a club based on the interests and needs of wives of men in the army, navy or marines. Friendships made through such an organization, open to women living in Highwood or other towns along the north shore who might find it convenient to come to the Highland Park USO, can be helpful in many ways.

Where wives and children can live while the head of the house is away working for Uncle Sam will be one of the informal topics of tea-cup conversation at this first informal afternoon party. Members of the Housing Committee of the Y.W.C.A. who are serving as hostesses, hope to get some practical advice from their guests so that they may be more efficient in serving housing needs of both visiting and permanent residents. Mrs. Augustus de Clerq, Mrs. Henry L. Stein, Mrs. Theodore Osborn, Mrs. Robert Cobb, Mrs. Frank Austin, Mrs. Godfrey Eyley, all of Highland Park, and Mrs. Franklin deBeeres of Glencoe, will be hostesses at this first meeting. Mrs. Grace Beatty asks any service man's wife who cannot come to this first meeting but would like to receive notices of future plans to drop her a card with name and address to her office at the USO, 21 N. Green Bay Road.

Calls for thirteen housekeeping apartments that could not be filled came in during March to the Y.W.C.A. Housing Committee. As a needed service to wives of service men home owners who can offer housekeeping rooms with a little remodeling or efficient shifting of their own living arrangements are urged to phone Highland Park 675 with the good news.

Attention, First Aiders!

Lady, if you see me lying On the ground and (maybe) dying, Let my gore, run bright and free; Don't attempt to bandage me. While there's life, there's hope, so, pet, Don't apply a tourniquet; Do not give, for my salvation, "Artificial respiration"! Do not stretch my bones or joints Do not press my "pressure points"! If "queer symptoms" you should see Don't experiment on me! If I'm suffering from "shock," Take a walk around the block! If you must be busy, pray Help, to "keep the crowds away"! So, whatever my condition, Phone at once for a physician! Let me lie; I'll take a chance Waiting for the ambulance! From "First Aid" I beg release— Lady, let me die in peace! —from "The Volunteer"

His movies in color of specimen roses and famous gardens and rose fields were all filmed by Mr. Pfister personally. Voters League Luncheon-Election At Moraine Hotel

The annual meeting of the League of Women Voters, which is to be held on Wednesday, April 15th, will have as its background a location new to all Leaguers. The solarium of the Hotel will be used for the morning meeting, and the dining-room for the afternoon meeting. Of interest to the membership at large should be the open board meeting, which will be devoted to reports covering the year's work. In addition to the election of officers in the afternoon, Dr. Chang-Lok Chen, Chinese Consul General in Chicago, will speak on the subject "Our Common Struggle." Chang-Lok Chen is a graduate of the University of Chicago, and has served his country as Commissioner of Foreign Affairs at Canton, China, and later as Superintendent of Customs at Hainan, China.
